Re: Periodic Review of the Department of Environmental Quality's Regulations for the Certification of Recycling Machinery and Equipment for Local Tax Exemption Purposes (9 VAC 15-30 *et seq.*)

Dear Director Paylor:

I have reviewed the above-referenced regulation. It is my opinion that the State Water Control Board has the statutory authority for the regulation pursuant to Section 58.1-3661 of the Code of Virginia.

This certification addresses legal matters only and is not intended to serve, nor should it be construed, as a comment for or against the merits of the regulation.

If I may be of any further assistance to you relating to this matter, please do not hesitate to contact me.

Sincerely,

David Grandis
