Summary

Please provide a brief summary of all regulatory changes, including the rationale behind such changes. Alert the reader to all substantive matters or changes. If applicable, generally describe the existing regulation.

This regulation designates that each general registrar shall take certain measures before election day as may be needed to expedite counting absentee ballots returned by mail. It also changes the caption of the regulation to conform to the text of the regulation. It amends an existing regulation which granted authority to the electoral board to authorize a general registrar at his option to take certain measures (before election day) as may be needed to expedite the counting of absentee ballots returned by mail prior to election day.

Statement of final agency action

Please provide a statement of the final action taken by the agency including (1) the date the action was taken, (2) the name of the agency taking the action, and (3) the title of the regulation.

The State Board Elections at its meeting on June 25, 2013, approved the amendment to the regulation titled Alternative Counting Procedures, 1 VAC 20-70-40.
