Brief summary

In a short paragraph, please summarize all substantive provisions of new regulations or changes to existing regulations that are being proposed in this regulatory action.

- 1) The 2012 Virginia General Assembly passed and the Governor approved an act to amend and reenact §§10.1-1152 [Virginia Acts of Assembly Chapter 484] relating to state forest special use permits, mandating that the Department of Forestry promulgate emergency regulations to implement the provision of the act that established a fee for the special use permit to hunt, trap, fish, ride bikes and horses in a state forest. Pursuant to the act, the regulations are to become effective within 280 days of the enactment of the act. This regulation is not exempt under the provisions of subdivision A. 4 of §2.2-4006.
- 2) The changes to the existing regulation implements the provisions of the act to amend and reenact §10.1-1152, Virginia Acts of Assembly Chapter 484, requiring minor changes of clarification to 4VAC10-30 sections 40, 120, 200 and 210. These changes clarify that any person who hunts, fishes, traps, rides bikes or rides horses is required to purchase an annual special use permit for a fee of \$15.
- 3) The Department of Forestry wants to maintain the authority to charge users for special use permits at the rate of \$15 as previously allowed by the Code of Virginia and subsequently through emergency regulations. DOF is initiating the "Proposed" stage to allow the emergency action to become permanent and provide the continuing authority.

- 4) The Department of Forestry has also initiated a standard regulatory review action NOIRA to allow for a thorough and comprehensive amendment of all of the state forest regulations, including the special use permit fees and activities. These two agency actions will be processed through the regulatory review in simultaneous fashion.

Legal basis

Please identify the state and/or federal legal authority to promulgate this proposed regulation, including (1) the most relevant citations to the Code of Virginia or General Assembly chapter number(s), if applicable, and (2) promulgating entity, i.e., agency, board, or person. Your citation should include a specific provision authorizing the promulgating entity to regulate this specific subject or program, as well as a reference to the agency/board/person's overall regulatory authority.

§10.1-1101 (General Powers of the Department), section 4 authorizes the Department of Forestry to promulgate regulations necessary or incidental to the performance of duties or execution of powers conferred under this chapter. Chapter 484 of the Virginia Acts of Assembly was approved by the Governor and will become effective July 1, 2012, amended and reenacted §10.1-1152.

In addition, Section 2.2-4011 of the Code of Virginia states that agencies may adopt emergency regulations in situations in which Virginia statutory law or the appropriation act or federal law or federal regulation requires that a regulation be effective in 280 days or less from its enactment, and the regulation is not exempt under the provisions of subdivision A. 4 of § 2.2-4006.

Purpose

Please explain the need for the new or amended regulation by (1) detailing the specific reasons why this regulatory action is essential to protect the health, safety, or welfare of citizens, and (2) discussing the goals of the proposal, the environmental benefits, and the problems the proposal is intended to solve.

Establishes an annual fee of \$15 for special use permits to hunt, trap, fish, ride bikes and ride horses on state forest lands in Department of Forestry regulations pursuant to its authority per §10.1-1152 of the Code of Virginia. Chapter 484 of the Virginia Acts of Assembly authorizes the Department to set fees for state forest special use permits by regulation. The emergency regulation is necessary to implement the provisions of the act that authorize the establishment of a fee for the special use permit to become effective within 280 days of the enactment of the act.

DOF is submitting the “Proposed” stage to insure the authority granted under the emergency regulation continues as permanent authority.

Substance

Please briefly identify and explain new substantive provisions (for new regulations), substantive changes to existing sections or both where appropriate. (More detail about all provisions or changes is requested in the “Detail of changes” section.)

The “Proposed” stage is exactly like the emergency regulations. There are no changes submitted in the Proposed.
