Summary

Please provide a brief summary of all regulatory changes, including the rationale behind such changes. Alert the reader to all substantive matters or changes. If applicable, generally describe the existing regulation.

All references to the Department for the Aging have been changed to the *Department for Aging and Rehabilitative Services* to reflect the name of the new agency that has been created to assume the powers of the former Department of Rehabilitative Services and the Department for the Aging. This new agency was created as a result of the Governor's Reorganization of the Executive Branch of State Government. In addition to the agency name change, the agency and chapter numbers to each section of the regulation have been changed as a result of the regulation being promulgated by the newly created agency. Also, the citation to the Code of Virginia, which authorizes each section of this regulation to be promulgated, has been changed to the code number of the new agency.

Statement of final agency action

Please provide a statement of the final action taken by the agency including (1) the date the action was taken, (2) the name of the agency taking the action, and (3) the title of the regulation.

On, October 24, 2012, the Commissioner of the Virginia Department for Aging and Rehabilitative Services will adopt these amendments to the existing regulations entitled "Grants to Area Agencies on Aging" (22 VAC 30-60-et seq.) as a regulatory action exempt from the Administrative Process Act under Chapter 321 of the 2008 Acts of Assembly.
