PRELIMINARY INFORMATION FORM

ARCHAEOLOGICAL SITE

The following constitutes an application for preliminary consideration of eligibility for the nomination potential of a site to the Virginia Landmarks Register and the National Register of Historic Places. This does **not** mean that a property is being nominated to the registers at this time. Rather, it is being evaluated by the Virginia Department of Historic Resources (DHR) staff and the State Review Board to determine if the property qualifies for such listings. Applicants will be notified of the staff's and the State Review Board's recommendations.

Contact the DHR archaeological inventory manager to determine if previous survey material for this site is on file, and if the site has been previously evaluated by DHR. Obtaining previously recorded information could save a significant amount of time in preparing this Preliminary Information Form (PIF). The archaeological inventory manager may be reached by phone at (804) 367-2323, ext. 117, or by email at Jolene.Smith@dhr.virginia.gov. The site must be recorded with DHR, if it has not been previously entered into the DHR inventory. The archaeological inventory manager can assist with the recordation of the site, and will also provide you with the address of the regional office to which you should send your completed PIF materials.

PIF Materials: The printed version of this form should be submitted on 8½" X 11" paper, along with the electronic version, preferably in Word format. The form may be typed or hand-written, if an electronic format is not available. The electronic version of this PIF should be submitted on a disc, or it may be attached to an email to the archivist. In addition, a printout of the site form from the DHR database should be submitted with the PIF. A copy of the site database printout may be obtained from the archaeological inventory manager.

Note: All submitted materials become the property of the Department of Historic Resources and will not be returned. In addition, the materials will be posted on the DHR public website for a period of time during the evaluation process. Please address questions regarding the PIF application to the archivist or regional office staff.

Maps: Please include two (2) maps showing the location of the property:

- A copy of a section of a USGS topographical Quad map with the date, the name of the county/city and the quad printed on the map, and with the name of the site with its state site number and its location on the map labeled with a pencil (USGS Quadrangle maps can be printed free of charge using the Map Locator at the USGS store: <http://store.usgs.gov>).
- A sketch site plan showing the site boundaries in relationship to other features that are important in conveying the location of the site. Please include the name of the site, the state site number, a "North" arrow, date, and "Not to Scale" (if appropriate).

Before submitting this form, please make sure that you have included the following:

- Labeled USGS Quadrangle map showing the location and boundaries of your site
- Sketch site plan map of the site
- Disc with digital files (Word document, TIFs, JPEGs)
- Completed Resource Information Sheet, including
 - Owner's signature – **this is required. The PIF will not be evaluated without owner(s) signature.**
 - Applicant contact information
 - City or county official's contact information

Thank you for taking the time to submit this Preliminary Information Form. Your interest in Virginia's historic resources is helping to provide better stewardship of our cultural past.
