Agenda Item: DWSRF Update

Discussion: Mr. Pelli discussed several personnel changes within the DWSRF including the addition of Mr. Matthews as the new Capacity Development Manager. Mr. Pelli addressed some recent concerns and milestones with the SRF Program: EPA would like to expedite the SRF awards and disbursements; 2013 award is 5% less dropping from \$15.2 million in 2012 to \$14.5 million; Davis-Bacon wages are still a requirement where Going Green is goal; Buchanan County received \$11.4 million for a new pump station and upsizing of mains to serve untouched parts of the county; and possible ways to revise the program to expedite awards.

Conclusion: Move to next item

Action items: **Mr. Pelli to forward members of last year's allocation.
Members are send Mr. Pelli suggestions on ways to expedite awards.**

Agenda Item: Water Policy

Discussion: Ms. Douglas briefly discussed filling of vacancies. She updated the WAC members on: implementation of Stage 2 by the end of the year; ODW is awaiting EPA guidance on the revised TCR; and credit for UV disinfection.

Conclusion: Move to next item

Action items: None

Agenda Item: Capacity Development Program Update:

Discussion: Mr. Matthews introduced himself as the new program manager replacing Mr. Skiljo. As the Capacity Development is 12 years old, it needs revision. Discussed during a Capacity Development stakeholders meeting on May 2nd, the best results will come from a focus group. He has several volunteers already and suggestions for focus group members from stakeholder organizations not represented. Mr. Mutoti volunteered to represent the consulting engineering firms. After the draft revision is completed, Mr. Matthews will present it to the WAC.

Conclusion: Move to next item

Agenda Item: VT Update

Discussion: Professor Boardman provided a handout listing the listing and summarizing the drinking water training that has been provided from August 2012 until now. He believes there may be some synergy generated by the VA AWWA Water Reach Committee with university students working with the SRF program and briefly touched upon the forthcoming Asset Management course.

Conclusion: Move to next item

Action items: **Professor Boardman to send Mr. Anderson an electronic copy of the handout.**

Agenda Item: Future Meeting Frequency

Discussion: Mr. Aulbach started the discussion with a review from November. He recommended that the frequency be every other month for the near term with a rotation between in-person and Polycom meetings. WAC members would report to the ODW field office closest to them. Committee agreed and the next meeting will be July via Polycom.

Conclusion: Move to next item

Action items: **Mr. Anderson is to survey members for location of which Polycom site that they would attend to reserve the conference rooms.**

Agenda Item: New Business

Discussion: Professor Boardman asked about the VOP certificates on the differences in the silver award. He relayed how important it was to some waterworks staff that he has talked to about getting the gold certificate. A brief discussion followed. He thought that through Capacity Development that supervisors could be educated on ways of scheduling shifts and perks that employees could receive that would augment normal compensation as part of supervisory skill sets.
