June 17, 2015

Attending: Mr. Willie Greene, Sr. (Chair), Mrs. Joanne Webster (Secretary), Ms. Lou Ali, Ms. Sheila Coppage, Mr. Darrell Jordan, Jr., Dr. Jack Knapp, Mr. Clyde Santana

Absent: Dr. Danny Avula, Ms. Mona Malik, Mr. Kent Willis

Also in Attendance: Ms. Margaret Ross Schultze (Commissioner), Mr. Allen Wilson (Sr. Assistant Attorney General).

Meeting called to order at 9:01 am – Mr. Willie Greene, Sr.

Introductory greetings were provided by Ms. Sharon Harrup, President & CEO of STEPS and host of the meeting, and by Ms. Roma Morris, Director of Prince Edward Department of Social Services.

Review of Agenda – Ms. Karin Clark, Regulatory Coordinator

Comments from the Commissioner – Ms. Margaret Ross-Schultze

The Commissioner thanked Sharon Harrup and STEPS for hosting the meeting and provided history on STEPS, indicating it is the newest Community Action Agency. She reviewed a letter sent to Governor McAuliffe in reference to the Council on Childhood Success. The full report is available at http://www.ltgov.virginia.gov/docs/CCCS_June12015Report.pdf.

The Commissioner reviewed provisions of 2015 child care legislation, HB 1570 and SB 1168. Governor McAuliffe signed the bills on May 28, 2015.

Commissioner Schultze announced that Virginia is the recipient of two grants from the USDA. The first is an \$8.8M grant received in conjunction with the Virginia Department of Education which is targeted at ending childhood hunger. The grant supports the Governor's Executive Order 34 and the First Lady's initiative on bridging the nutritional divide. The second grant is a \$22.3M SNAP Employment and Training pilot grant received in conjunction with the Virginia Community College system. This grant is an unprecedented collaboration between the Virginia Department of Social Services, the Virginia Community College System, Local Workforce Investment Boards, local adult education providers and Virginia Commonwealth's University Adult Learning Resource Center.

Announcements

Commissioner Schultze announced the resignation of Mr. William Henderson from the Board. The last day at the agency for Paul McWhinney was June 3, 2015, but his actual retirement date is June 24, 2015. His position will not be filled. The duties will be shared between herself and Jack Frazier, Deputy Commissioner for Operations.

Proposed Permanency Regulation – Carl Ayers, Director of the Division of Family Services

Mr. Ayers explained that the current permanency regulation became effective in November 2012, but took over 2 ½ years to move through the regulatory system, at which point it was outdated due to federal and state legislative changes. Because of this delay, the permanency regulation was immediately re-opened for required amendments. A NOIRA was initiated in July 2013 and an initial briefing was provided to the Board in April 2014. Mr. Ayers provided an overview of the proposed changes.

Overview of STEPS, Inc. – Sharon Harrup, Director

Ms. Harrup explained the history and mission of the agency. STEPS is committed to creating, coordinating and delivering quality comprehensive services in an effort to foster self-sufficiency and eliminate poverty. STEPS serves six counties: Amelia, Buckingham, Cumberland, Lunenburg, Nottaway and Prince Edward. They have four pillars of service, workforce development, economic development, housing and education. STEPS has a variety of local and state/federal partnerships that makes their organization work. STEPS collaborated with two VA Tech students (entrepreneurs) who created a company called TAALUMA totes that was on the ABC show Shark Tank. The backpacks are manufactured out of the STEPS facility by people with disabilities. The website is www.carryacountry.com. Additional information on STEPS is available at <http://steps-inc.org/about/history.php>.

The Board recessed and toured STEPS' shredding operation.

COMMENT PERIOD

No comments were offered by the public.

Comment from the VA League of Social Services Executive – Cathy Pemberton, President

Ms. Pemberton addressed some concerns with the Comprehensive Services Act (CSA). The first is permitting direct parental placement of children into facilities when the local government pays the costs. The League has expressed its concern to the Office of Comprehensive Services. The second CSA matter relates to the Office of Comprehensive Services (OCS). The CSA has been in place for 23 years and has had many positive outcomes. However, there have also been some challenges with the CSA audits which resulted in administrative funding issues. Given the recent resignation of the OCS director, the League is hoping that the OCS might be housed as part of another state agency, possibly DSS, since they understand the alignment and importance of family, policy and placement of children.

Comment from Virginia Community Action Partnership – Jim Schulyer, Director

Mr. Schulyer welcomed STEPS, Inc., to VACAP. VACAP recently concluded a very successful annual conference in Richmond. The state Office on Volunteerism and Community Services (OVCS) presented two workshops that focused on new federal requirements for the administration of the Community Services Block Grant program and elements of a community needs assessment. Mr. Schulyer had the opportunity to participate in the federal monitoring visit to the state OVCS office. During the visit, he and the OVCS staff emphasized the close collaboration among the state office, VACAP and the network. Agencies have completed their self-assessments regarding their ability to meet the new organizational standards. OVCS is planning a series of webinars that will focus on the areas of greatest need; VACAP will be devoting considerable training and technical assistance efforts to meet these needs as well.

The Board recessed for the day at 3:00 pm and traveled to the Prince Edward Department of Social Services for a tour

Board Member Comments

Ms. Coppage enjoyed Farmville and her first two-day meeting.

Mrs. Webster appreciated hearing about STEPS Inc., and the Prince Edward DSS Programs.

Ms. Ali enjoyed the opportunity to visit Farmville and the information on the pilot grant. She would like to hear the outcome of whether they will reach their goal. She also enjoyed learning about the STEPS program and is interested in hearing about the poverty trap.

Mr. Santana enjoyed the presentations, the two day meeting and the visit to Farmville.

Dr. Knapp echoed in reference to learning about STEPS Inc., having a relative who might have benefited from these programs. Regarding Mr. Steinhauser's presentation, every dollar fraudulently received deprives some family of the money they need.

Chairs Comments

Mr. Greene thanked Ms. Harrup and STEPS Inc., for their hospitality and the information provided. The next meeting will be a one-day meeting at the Central Regional Office in Henrico, VA.
