Mr. Olson updated the Board on the fiscal status of the Transaction Recovery Fund and the ongoing special assessments. Based on the current balance in the fund, anticipated assessments collected and pending claims, staff estimates that the Fund will have no money available at the end of 2009. In order to ensure compliance with the current statutes, any assessments collected from licensees whose licenses expire after June 30, 2009, will be refunded. After July 1, 2009 licensees will receive the special assessment as part of their renewal notice. When the Fund is depleted, approved claims will be placed in a pending status until funds are available. Jay DeBoer shared with the Board that we must adhere to Statue. This was just for information purposes. No action taken by the Board.

Recovery Fund Update

Staff updated the Board on the new HUD Manufactured Housing Installation Certification Program. Board staff has been working with DHCD to assist in the implementation and tracking of participants in the new program. Proposed regulations have been adopted to integrate the program into the contractor regulations. Notification of the new program must be made to affected regulants. Staff requested authority to notify all contractors currently holding the MBC specialty of the new requirements. After discussion a motion was made by Mr.
