

Group: DEQ VWP Permit Peer Review Team

Date: May 3, 2005

Meeting Summary:

DEQ's VWP Peer Review Team met for the second time on Tuesday, May 3. DEQ is working with the Solid Waste Permit Peer Review Team and ERM to complete a business process improvement study of the solid waste program. ERM conducted a half-day workshop to review the results of interviews, surveys, and process maps and to identify priority opportunities and recommended actions for improving the effectiveness and efficiency of the VWP permitting and compliance assurance programs. The VWP Peer Review Team will meet in August to finalize their work.
