

## **SCHOOL SAFETY AUDIT PROTOCOL**

Persons who wish to view this document may do so at:

<http://www.pen.k12.va.us/go/VDOE/Instruction/schoolsafety/safetyaudit.pdf>

This document is the result of 1997 legislation that required all school divisions in Virginia to conduct a building-level school; safety audit. The Virginia Department of Education developed the state's first protocol to guide schools in the audit process.
