

MEMORANDUM # 2-95

Coal Combustion By-Products Guidelines (issued 1/30/95, updated 10/1/01)

The Division will implement the requirements of §9 VAC 20-85-10 et seq. for the use of coal combustion by-products on permits issued under the Virginia Coal Surface Mining Reclamation Regulations (4 VAC 25-130-700.1 et seq.). The **Coal Combustion By-Products Guidelines** are to be used in conjunction with the aforementioned regulations.
