

# How to Purchase Durable Do Not Resuscitate Bracelets and Necklaces

Approved Durable DNR bracelets and necklaces can be honored in place of the Virginia Durable DNR Order form by emergency medical services providers. This jewelry is available from two State approved vendors.

The vendors have agreed to put the state required information on their jewelry and require the purchaser to submit a copy of their Virginia Durable DNR Order form. Prices start at about \$12.95. **The Office of EMS does not sell or provide these items.** Anyone who has a Virginia Durable DNR order and wants an approved bracelet or necklace can purchase them from one of these vendors. Photos of jewelry samples are posted on their web sites.
