Jay DeBoer, Director and Eric Olson, Executive Director shared information with the Board concerning the Recover Fund and the reviews of our Fiscal Administrators concerning the fund running out of money within approximately two years at our current of rate of cases utilizing the fund. The agency needs Board support in order to maintain this fund which is a statutory allotment. Staff would suggest the fee be \$100. in lieu of \$50.00 That equals \$50.00 per year. This fund is addressed in statue and our Agency needs Board support to rectify this potential deficit situation. After discussion a motion was made by **Mr. Redifer** and seconded by **Mr. Modisett** to table this until we reach New Business on the Agenda for today. The motion passed unanimously.
