Discussion was held regarding letters received from Mr. Klaus Worrell, P.E. The Professional Engineers Section reviewed the letters at its August 5, 2009, meeting. Mr. Worrell had requested clarification on issues involving plan reviewers authority. The Board determined that certain concerns could be clarified by §54.1-410.B of the *Code of Virginia*, and other issues Mr. Worrell raised should be reviewed by the Technical Review Board. The Board members agreed that, pursuant to §54.1-410, a plan reviewer can accept or reject a design but cannot change a design. The Board would recommend Mr. Worrell contact the Compliance and Investigations Division if he believes a violation of the Board's regulations had occurred. Ms. Nosbisch will draft a letter with the Board's response.

Discussion of letters received from Klaus Worrell and Board response

Ms. Nosbisch informed the Board that Mr. Courtney had followed up with DGS on their Invitation For Bid and the use of the term "architect" and "engineer." There was no further communication from DGS regarding this matter.

Follow up on Invitation For Bid from DGS

Ms. Nosbisch explained that committee appointments would be made for each Section to begin the Regulatory Review process. The Architect Section decided at their last meeting that Mr. Boyd would represent their Section. Likewise, the Landscape Architect Section decided that Mr. Scherzer would represent their Section. Mr. Johnson was selected to represent the Professional Engineers Section, Ms. Stiles will represent the Interior Designers Section and Ms. McIntyre will represent the Land Surveyors Section.

Regulatory Review Committee Appointments

Ms. Nosbisch informed the Board that due to the Landscape Architect change from certification to licensure enacted July 1, 2009 with a 12 month delayed enactment clause, there would be regulatory action taken effective July 1, 2010. This qualifies as an exempt regulatory action, and does not have to go through the full review process as it is a statute change. Ms. Rinner moved to accept the necessary changes for the exempt regulatory action. Mr. Scherzer seconded the motion which was unanimously approved by members: Boyd, De León, Fauber, Finn, Harris, Johnson, LeMay, McAden, McIntyre, Rinner, Scherzer, Stephenson, and Stiles.

Review of Proposed Regulations Regarding Landscape Architects- Exempt Regulatory Action

Ms. Nosbisch informed the Board that Mr. De León provided information that VDOT has been checking on companies that bid for projects, to ensure that they are properly registered with the Board. Mr. De León commented that several large contracts have been rescinded because the business does not meet the registration regulations, and that the RFP's now have very specific language.
