18 VAC 41-50-180. Failure to Renew.

A. When a licensed or certified individual or business entity fails to renew its license within 30 days following the expiration date of the license, the licensee shall meet the renewal requirements as prescribed in [18VAC41-50-170](#) and apply for reinstatement of the license by submitting to the Department of Professional and Occupational Regulation a reinstatement application along with the required renewal and reinstatement fees.

B. When a licensed or certified individual or business entity firm fails to renew its license within two years following the expiration date, reinstatement is no longer possible. To resume practice:

1. The former licensee shall apply for licensure or certification as a new applicant, shall meet all current application entry requirements for each respective license or certificate, shall pass the board's current examination, and shall receive a new license or certification.

2. An individual previously licensed in Virginia for a minimum of three (3) years shall submit a new application showing the individual met the requirements of the applicable examination or training waiver provision and pass the required examination.

Such notification will be sent to the school and must be displayed in a conspicuous manner by the school in an area that is accessible to the public. No student shall be disqualified from taking the examination because the school was not licensed for a portion of the time the student attended if the school license is reinstated by the board.

D. The date a renewal fee is received by the Department of Professional and Occupational Regulation, or its agent, will be used to determine whether the requirement for reinstatement of a license is applicable and an additional fee is required.

E. When a license is reinstated, the licensee shall have the same license number and shall be assigned an expiration date two years from the date of the last day of the month of reinstatement.

F. A licensee that reinstates its license shall be regarded as having been continuously licensed without interruption. Therefore, a licensee shall be subject to the authority of the board for activities performed prior to reinstatement.

DRAFT AGENDA

TO: VIRGINIA BOARD FOR BARBERS AND COSMETOLOGY
FROM: KELLEY SMITH, EXECUTIVE DIRECTOR
SUBJECT: LOWER COSMETOLOGY TRAINING TO 1,000 HOURS
DATE: NOVEMBER 1, 2023

Attached you will find the draft final regulations for the Lowering of Cosmetology Training to 1,000 hours. The draft documents have all the staff's proposed changes highlighted in yellow. One change is non-substantive and corrects the reference from "Material Safety Data Sheet (MSDS)" to "Safety Data Sheet (SDS)". The other changes are found in the performances section, 18 VAC 41-20-220.E. These changes are based on discussions had by the regulatory review committee and if not adopted with the final stage of this regulatory action, will be presented for the board's review and adoption of the General Review of Barbering and Cosmetology Regulations language during the proposed stage. Please review the attached draft regulations. After the board approves the final regulations, the last stage of the regulatory review begins. If you have any suggested edits, feel free to reach out to me prior to the meeting, or bring them up during the meeting.

In order to make any changes to the final regulations, the board will need to make a motion to amend any change. For example, a motion to amend the final regulations to read "Safety Data Sheet (SDS)" and a motion to amend the performances and adopt the final regulations.

Once the board is satisfied with the final regulations, it can approve them with a motion to "approve the draft final regulations, as amended."

Materials contained in this agenda are proposed for discussion and are not to be construed as regulation or official Board position.

TO: VIRGINIA BOARD FOR BARBERS AND COSMETOLOGY
FROM: KELLEY SMITH, EXECUTIVE DIRECTOR
SUBJECT: REMOTE PARTICIPATION POLICY
DATE: OCTOBER 2, 2023

At the September 29, 2021 meeting, the Board adopted a policy to allow individual board members to participate in board meetings from remote locations under certain circumstances. The Code of Virginia does allow for remote participation in limited situations when the Board has approved a remote participation policy that conforms to the requirements laid out in the law. Attached is a revised proposed remote participation policy. You will note that the policy only applies to individual members and only when a personal matter, disability, medical condition or a principal residence that is more than 60 miles from the meeting location which prevents in-person attendance of that member. Additionally, a quorum of the board must be physically present at the primary location. This remote participation policy is also limited to committee, subcommittee or panel meetings. Physical attendance is still required for full Board meetings. This policy can be adopted by the Board as a guidance document through a motion to “adopt the revision to the board’s remote participation policy.”

Materials contained in this agenda are proposed for discussion and are not to be construed as regulation or official Board position.

BOARD FOR BARBERS AND COSMETOLOGY

POLICY: Remote Participation in Board Meetings

Effective Date: November 13, 2023

- I. PURPOSE:** The purpose of this policy is to document the requirements for individual members of the Board for Barbers and Cosmetology to participate in meetings using electronic communications pursuant to subsection B of § 2.2-3708.3 of the Code of Virginia, including an approval process for such remote participation.
- II. POLICY STATEMENT:** Individual members of the Board for Barbers and Cosmetology who are unable to attend a meeting in person, due to a temporary or permanent disability, medical condition, a principal residence more than 60 miles from the meeting location, or personal matter that prevents physical attendance, may participate remotely by electronic communication means as permitted by § 2.2-3708.3.
- III. APPLICABILITY:** This Board policy shall apply to the entire membership and without regard to the identity of the member requesting remote participation or the matters that will be considered or voted on at meeting.
- This policy applies only to meetings of committees, subcommittees, and panels, not to regular Board meetings.
- IV. GENERAL PROVISIONS:**
- A. REQUIREMENTS**
1. If a personal matter, disability, distance, or medical condition prevents in-person attendance, the individual member requesting to participate remotely must notify the Board Chair through the Board Executive Director on or before the day of the meeting.
 2. An individual member's remote participation due to a personal matter is limited by law to two meetings each calendar year.
 3. Whenever an individual member is approved by the Board to participate from a remote location, the law requires a quorum of the Board to be physically assembled at the primary meeting location, and there must be arrangements for the voice of the remote participant to be heard by all persons at the primary meeting location.
 4. The meeting minutes must reflect the member's remote location and the reason preventing physical attendance (either the fact of disability, medical condition, distance or the nature of the personal matter with specificity).
- B. APPROVAL PROCESS**
1. An individual member's remote participation is approved unless such participation would violate this Board policy or the provisions of the Virginia Freedom of Information Act (FOIA).
 2. If an individual member's participation from a remote location is challenged, the Board will vote whether to allow such participation.
 3. If the Board votes to disapprove of a member's remote participation because such participation would violate this policy or FOIA, such disapproval will be recorded in the meeting minutes with specificity.
