

# Public Hearings

## Funding the Right Transportation Projects

You are invited to share comments on transportation projects that have been recommended for funding in the FY2024-2029 Six-Year Improvement Program (SYIP). Additionally, pursuant to §33.2-202, comments will be accepted for new projects valued in excess of \$25 million. The Commonwealth Transportation Board will take your comments into consideration as it develops the FY2024-2029 SYIP. The program allocates public funds to highway, road, bridge, rail, bicycle, pedestrian and public transportation projects. All federally eligible projects in the SYIP will be included in the Statewide Transportation Improvement Program to document how Virginia will obligate its federal funds.

Meeting materials will be available <https://www.ctb.virginia.gov/planning/springmeetings2023/default.asp> before April 20, 2023.
