- ***Review and Approval of a Recommendation to Accredite the Teacher Education Program at Bridgewater College through a Process Approved by the Board of Education***

Mrs. Patty S. Pitts, assistant superintendent for the Division of Teacher Education and Licensure, provided the Advisory Board on Teacher Education and Licensure with a brief overview of the accreditation process approved by the Board of Education.

Dr. JoAnne Y. Carver, director of teacher education, Division of Teacher Education and Licensure, Virginia Department of Education, presented the summary of the results of the *Professional Education Program Review Team Report of Findings* conducted April 27-30, 2013, at Bridgewater College. Based on the *Professional Education Program Review Team Report of Findings* (April 2013) for Bridgewater College, the overall recommendation by the on-site review team was ***Accredited with Stipulations***: The professional education program has met the standards minimally, but significant weaknesses have been identified. Within a two-year period, the professional education program shall fully meet standards as set forth in section 8VAC20-542-60 of the *Regulations Governing the Review and Approval of Education Programs in Virginia* Effective September 21, 2007 and Amended January 19, 2011.

Following Dr. Carver's presentation, Mrs. Pitts provided an overview of Bridgewater College's written responses to the on-site review team's findings. The following Bridgewater College representatives responded to questions regarding how they have addressed weaknesses cited in the report since April: Vice President and Dean for Academic Affairs, Dr. Carol Scheppard; Interim Director, Teacher Education Program and Professor of Education, Dr. Jean Roth Hawk; Professor of Education, Dr. Rebecca Harris; and Coordinator of Teacher Education, Chipley Bader.

Bonnie Bowen made the motion that the Advisory Board on Teacher Education and Licensure respectfully accept the April 27-30, 2013, *Professional Education Program Review Team Report of Findings*. Dr. Sue Magliaro seconded the motion. The motion passed unanimously with an 18-0 vote.

State Council of Higher Education for Virginia (SCHEV)

Dr. Monica Osei shared the following information on behalf of the State Council of Higher Education for Virginia:

1. On January 23, 2014, the State Council of Higher Education for Virginia and Dominion Resources announced the names of the 12 faculty members from Virginia's public and private colleges and universities selected as recipients of the 2014 Outstanding Faculty Awards. This year marks the 28th anniversary of the statewide awards program which honors faculty members for excellence in teaching, research, knowledge integration, and public service. The 12 recipients were selected from a pool of 115 applications based on accomplishments that strongly reflect the missions of their respective institutions.

Recipients will be recognized during a February 20, 2014, ceremony at the Jefferson Hotel in Richmond. Each recipient will receive an engraved award and a \$5,000 check underwritten by the Dominion Foundation, the philanthropic arm of Dominion Resources. Dominion is the parent company of Dominion Virginia Power.

Photographs and information about each of this year's recipients are located on the SCHEV Web site at: www.schev.edu/AdminFaculty/OFAprogramIndex.asp.

2. College Access Challenge Grant Program (CACGP):

- The CACGP did not receive continued funding from the United States Department of Education for 2013-2014. Staff will continue operating grant activities using no-cost extension funds made available from the United States Department of Education.
- Two of the CACGP "Easy as 1-2-3" initiatives were completed: 1) College Nights in Virginia, November 1-15, 2013 (including 27 locations with more than 5,000 attendees); and 2) Virginia College Application Week, November 18-22, 2013 (held at 32 high school sites with over 7,300 applications received). The third initiative, Super Free Application for Federal Student Aid (Super FAFSA) Week, will take place February 1-8, 2014, in partnership with the Virginia Free Application for Federal Student Aid at over 60 sites, including selected high schools across the Commonwealth and will provide hands-on support and expert guidance in completing the Free Application for Federal Student Aid. For complete information, updates on events, locations, and download instructions for the "Easy as 1-2-3 Guidebook" application, please access the following Web site: www.vasfaa.org.
- Through CACGP, SCHEV is working in collaboration with the U. S. Student Aid Office to help Virginia achieve a four percent increase in Free Application for Federal Student Aid over last year's September through May comparison period. Completion of the Free Application for Federal Student Aid increases the likelihood of a student's enrollment in college.

- A total of 397 requests were received during the winter “I Am the One” order window. An advance ordering opportunity was offered to schools serving a student population with free and reduced lunch eligibility rates of 50 percent or greater. "I Am the One" is a campaign supported by the federal College Access Challenge Grant Program hosted by the State Council of Higher Education for Virginia.
