Amendments to the asbestos labs and project monitors regulations

I have reviewed the Board for Asbestos, Lead and Home Inspectors' amendments to the asbestos labs and project monitors regulations. In my view, as counsel to the Board for Asbestos, Lead and Home Inspectors, the Board may promulgate these regulations pursuant to §54.1-201(5) of the Code of Virginia. The regulations do not appear to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they appear to conflict with any federal or state law currently in effect. This memorandum addresses legal matters only and is not intended to serve, nor should it be construed, as a comment for or against the merits of the proposed regulations.
