---

I have reviewed the Virginia Employment Commission's amendments to their Regulations. In my view, as counsel to the Virginia Employment, the Board may promulgate these regulations pursuant to §60.2-111 of the Code of Virginia. The regulation is non-controversial and therefore may be promulgated as a fast track regulation in accordance with §2.2-4012.1. The regulations do not appear to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they appear to conflict with any federal or state law currently in effect. This memorandum addresses legal matters only and is not intended to serve, nor should it be construed, as a comment for or against the merits of the proposed regulations.
