Fast Track Amendments to the Barbering and Cosmetology Regulations

I have reviewed the Board for Barbers and Cosmetology amendments to their regulations. In my view, as counsel to the Board for Barbers and Cosmetology, the Board may promulgate these regulations pursuant to §54.1-201.5 of the Code of Virginia. This amendment is further appropriate for the fast-track process as the regulation is reducing a regulatory burden for applicants without disrupting the protection of the health, safety, and welfare of the public. The regulations do not appear to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they appear to conflict with any federal or state law currently in effect. This memorandum addresses legal matters only and is not intended to serve, nor should it be construed, as a comment for or against the merits of the proposed regulations.
