RE: 18VAC105-20-10 et seq., Regulations Governing the Practice of Optometry

Dear Dr. Carter:

You have asked whether the proposed changes to the above-cited regulations are exempt from the operation of Article 2 of the Administrative Process Act.

The proposed amendments to conform regulation to changes in the Code for restricted volunteer licenses are exempt in accordance with § 2.2-4006 A 4, which provides an exemption for regulations: *“Necessary to conform to changes in Virginia statutory law or the appropriation act where no agency discretion is involved.”*

Having satisfied all legal requirements, you may proceed to take the necessary steps to promulgate this exempt regulation with the Registrar of Regulations.

Sincerely,

A handwritten signature in cursive script that reads "Amy Marschean".

Amy Marschean
Senior Assistant Attorney General
