MEMORANDUM

TO: **EMILY MCCLELLAN**
Regulatory Supervisor
Virginia Department of Medical Assistance Services

FROM: **USHA KODURU**
Assistant Attorney General

DATE: **May 17, 2019**

SUBJECT: **12VAC 30-60-5 Fast-track Regulation Community Mental Health Services Documentation of Qualifications (4990/8488)**

I am in receipt of the attached regulation which requires providers to maintain documentation to establish that Community Mental Health Services are rendered by individuals with appropriate qualifications and credentials. You have asked the Office of the Attorney General to review and determine if DMAS has the legal authority to promulgate this regulation and if the regulation comports with state and federal law.

Based on that review, it is my view that the Director, acting on behalf of the Board of Medical Assistance Services pursuant to Virginia Code §§ 32.1-324 and 325, has the authority to promulgate this regulation subject to compliance with the provisions of Article 2 of the Administrative Process Act and has not exceeded that authority.

Pursuant to Va. Code § 2.2-4012.1, if an objection to the use of the fast-track process is received within the public comment period from 10 or more persons, any member of the applicable standing committee of either house of the General Assembly or of the Joint Commission on Administrative Rules, DMAS shall (i) file notice of the objection with the Registrar of Regulations for publication in the Virginia Register, and (ii) proceed with the normal promulgation process set out in this article with the initial publication of the Fast-Track regulation serving as the Notice of Intended Regulatory Action.

If you have any questions or need additional information about this regulation, please contact me at 786-4074.

12VAC30-60-5. Applicability of utilization review requirements.

A. These utilization requirements shall apply to all Medicaid covered services unless otherwise specified.

B. Some Medicaid covered services require an approved service authorization prior to service delivery in order for reimbursement to occur. ~~1.~~ To obtain service authorization, all providers' information supplied to the Department of Medical Assistance Services (DMAS~~), service authorization contractor,~~ or ~~the behavioral health service authorization~~ its contractor shall be fully substantiated throughout individuals' medical records.

~~2.~~ C. Providers shall be required to maintain documentation detailing all relevant information about the Medicaid individuals who are in providers' care. Such documentation shall fully disclose the extent of services provided in order to support providers' claims for reimbursement for services rendered. This documentation shall be written, signed, and dated at the time the services are rendered unless specified otherwise.

D. Providers shall maintain documentation that demonstrates that individuals providing services have the required qualifications established by DMAS, the Department of Health Professions (DHP), or the Department of Behavioral Health and Developmental Services (DBHDS).

~~C.~~ E. DMAS, or its designee, shall perform reviews of the utilization of all Medicaid covered services pursuant to 42 CFR 440.260 and 42 CFR Part 456.

~~D.~~ F. DMAS shall recover expenditures made for covered services when providers' documentation does not comport with standards specified in all applicable regulations.

~~E.~~ G. Providers who are determined not to be in compliance with DMAS requirements shall be subject to 12VAC30-80-130 for the repayment of those overpayments to DMAS.

~~F.~~ H. Utilization review requirements specific to community mental health services, as set out in 12VAC30-50-130 and 12VAC30-50-226, shall be as follows:

1. To apply to be reimbursed as a Medicaid provider, the required ~~Department of Behavioral Health and Developmental Services (DBHDS)~~ DBHDS license shall be either a full, annual, triennial, or conditional license. ~~Providers must be enrolled with DMAS or the BHSA to be reimbursed. Once a health care entity has been enrolled as a provider, it shall maintain, and update periodically as DMAS requires, a current Provider Enrollment Agreement for each Medicaid service that the provider offers.~~

2. Health care entities with provisional licenses issued by DBHDS shall not be reimbursed as Medicaid providers ~~of community mental health services~~.

3. ~~Payments~~ Reimbursement shall not be permitted to health care entities that ~~either hold provisional licenses or~~ fail to enter into a Medicaid Provider Enrollment Agreement for a service prior to rendering that service, or fail to maintain a current Medicaid Provider Enrollment Agreement. If services are

provided through a Managed Care Organization (MCO), services shall not be reimbursed unless the provider is also enrolled with the MCO as a Medicaid provider.

4. The ~~behavioral health service authorization~~ DMAS contractor shall apply a national standardized set of medical necessity criteria in use in the industry, such as McKesson InterQual Criteria, or an equivalent standard authorized in advance by DMAS. Services that fail to meet medical necessity criteria shall be denied service authorization.

5. Service providers shall maintain documentation to establish that services are rendered by individuals with appropriate qualifications and credentials, including proof of licensure or registration through DHP if applicable. Qualified mental health professional-eligibles (as defined by DBHDS) shall maintain documentation of supervision and of progress toward the requirements for DHP registration as a qualified mental health professional-child or progress toward the requirements for DHP registration as a qualified mental health professional-adult as those terms are defined by DBHDS.
