This information is required for executive branch review pursuant to Executive Order 19 (2022) (EO 19), any instructions or procedures issued by the Office of Regulatory Management (ORM) or the Department of Planning and Budget (DPB) pursuant to EO 19. In addition, this information is required by the Virginia Registrar of Regulations pursuant to the Virginia Register Act (§ 2.2-4100 et seq. of the Code of Virginia). Regulations must conform to the Regulations for Filing and Publishing Agency Regulations (1 VAC 7-10), and the *Form and Style Requirements for the Virginia Register of Regulations and Virginia Administrative Code*.

### Brief Summary

*Provide a brief summary (preferably no more than 2 or 3 paragraphs) of this regulatory change (i.e., new regulation, amendments to an existing regulation, or repeal of an existing regulation). Alert the reader to all substantive matters. If applicable, generally describe the existing regulation.*

The Virginia Marine Resources Commission (VMRC) proposes to amend Chapter 4VAC20-1090-10 et seq., "Pertaining to Licensing Requirements and License Fees", to decrease regulatory burden and decrease the cost to the public of relaying shellfish.

### Mandate and Impetus

*Identify the mandate for this regulatory change and any other impetus that specifically prompted its initiation (e.g., new or modified mandate, internal staff review, petition for rulemaking, periodic review, or board decision). For purposes of executive branch review, "mandate" has the same meaning as defined in the*

*ORM procedures, “a directive from the General Assembly, the federal government, or a court that requires that a regulation be promulgated, amended, or repealed in whole or part.”*

---

[Mandate] VMRC is authorized by § 28.2-201 of the Code of Virginia to promulgate regulations and guidelines necessary to carry out the provisions of Title 28.2, including shellfish regulations.

[Impetus] Current regulations requires that individuals pay a \$150.00 daily fee for each relay permit that is issued by the Commission for the relaying of shellfish from condemned to open shellfish growing waters as classified by the Virginia Department of Health. The proposed regulatory change would require that the fee be paid only one time each calendar year. Individual permits would still be required but would be issued without additional cost to the permittee.

### **Statement of Final Agency Action**

*Provide a statement of the final action taken by the agency including: 1) the date the action was taken; 2) the name of the agency taking the action; and 3) the title of the regulation.*
