REGISTRAR'S NOTICE: The following regulatory action is exempt from the Administrative Process Act in accordance with § 2.2-4006 A 4 c of the Code of Virginia, which excludes regulations that are necessary to meet the requirements of federal law or regulations provided such regulations do not differ materially from those required by federal law or regulation. The Virginia Waste Management Board will receive, consider and respond to petitions by any interested person at any time with respect to reconsideration or revision.

Title of Regulation: 9 VAC 20-60. Virginia Hazardous Waste Management Regulations (amending 9 VAC 20-60-18).

Statutory Authority: § 10.1-1402 of the Code of Virginia.

Effective Date: November 21, 2001.

Summary:

Amendment 15C to this regulation included requirements in the form of incorporated federal regulatory text at Title 40 of the Code of Federal Regulations. The federal regulatory text as it existed July 1, 2000, was specified as that incorporated. Immediate Final Rule: Amendment 2001 addresses only 9 VAC 20-60-18, the section making the specification of the date of incorporated text. This section is

altered by striking the previous prescribed date and adopting the new date of July 1, 2001, thus making it the new date of reference of all incorporated federal regulatory text. The text is modified also to make it clear that federal regulations adopted as final by the U.S. Environmental Protection Agency before July 1 are incorporated, even when the effective date occurs after July 1. The effective date of the incorporated text will be the effective date as published in the Federal Register notice or the effective date of this amendment, whichever is later.

9 VAC 20-60-18. Applicability of incorporated references based on the dates on which they became effective.

When a regulation of the United States Environmental Protection Agency set forth in Title 40 of the Code of Federal Regulations is adopted herein and incorporated by reference, that regulation shall be as it exists and ~~is in effect on July 1, 2000, unless an exception or an alternate date is specified~~ has been published as a final regulation in the Federal Register prior to July 1, 2001, with the effective date as published in the Federal Register notice or the effective date of these regulations, whichever is later.
