RE: Regulations of the Board of Optometry

Dear Dr. Carter:

I have reviewed the amendments to regulations of the Board of Optometry relating to the name of the National Board of Examiners in Optometry (NBEO), the entity that provides the national examination in optometry.

Therefore, I find the amended regulations "consist only of changes in style or form or corrections of technical errors." § 2.2-4006 (A)(3) is applicable and the amendment is exempt from Article 2 of the Administrative Process Act.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Wingfield".

Emily O. Wingfield
Assistant Attorney General
