Re: Licensure Regulations for School Personnel (8 VAC 20-22-110 *et seq.*)

Dear Dr. Wright:

You ask whether the Board of Education possesses the requisite authority to amend the above-referenced regulations.

Section 22.1-16 vests the Board of Education with the authority to promulgate such regulations as may be necessary to carry out its powers and duties and the provisions of Title 22.1. In addition, Chapter 814 of the 2010 Acts of Assembly requires the Board to amend its regulations to require of teachers the study of local government and civics instruction specific to Virginia. Accordingly, it is my view that the Board possesses the requisite authority to adopt and amend the above-referenced regulations.

The foregoing represents my personal view and is not an official opinion of the Attorney General. If you require additional assistance on this matter, please do not hesitate to contact me.

Yours truly,

Deborah A. Love
Senior Assistant Attorney General
