

Forms Warehouse

State Board of Elections Regulation 1 VAC 20-20-60(E) provides for the establishment and maintenance of “a central repository of forms and instructions approved for use in conducting elections. The forms and instructions shall be organized following a standard naming convention consisting of name taken from the first descriptive line, a statutory or other authority identifier, and revision date.”

This central repository of forms, also known as “Forms Warehouse,” can be accessed here: <https://voterinfo.sbe.virginia.gov/FormWarehouse/>

In addition to forms, this site provides guidance documents, including:

- Do’s and Don’ts for Campaigners and Authorized Representatives
- Election Day Guide
- Election Day Guide for the Central Absentee Precinct (CAP)
- Voter Photo ID What If Guide
- What If
