

Criteria for Implementing Experiential Learning Credits for Alternate Route Applicants Seeking Initial Licensure

See: <http://www.doe.virginia.gov/boe/resolutions/2005/2005-18.shtml>

Under the requirements of the No Child Left Behind Act of 2001, individuals applying for an initial license through the alternate route as prescribed by the Board of Education must meet the criteria specified in this document to be eligible to request experiential learning credits in lieu of the coursework for the endorsement (teaching) content area.
