Board of Psychology
Department of Health Professions

The Board of Psychology concurs with the Economic Impact Analysis of the Department of Planning and Budget for proposed fast-track amendments to 18VAC125-20, Regulations Governing the Practice of Psychology. The Board would like to clarify, however, that the three types of psychology licenses in the Commonwealth are dictated by statute. The regulations mirror the statute, producing the three required license types. *See* Va. Code § 54.1-3606.
