This information is required for executive branch review pursuant to Executive Order 19 (2022) (EO 19), any instructions or procedures issued by the Office of Regulatory Management (ORM) or the Department of Planning and Budget (DPB) pursuant to EO 19. In addition, this information is required by the Virginia Registrar of Regulations pursuant to the Virginia Register Act (§ 2.2-4100 et seq. of the Code of Virginia). ### Brief Summary

*Provide a brief summary (preferably no more than 2 or 3 paragraphs) of this regulatory change (i.e., new regulation, amendments to an existing regulation, or repeal of an existing regulation). Alert the reader to all substantive matters. If applicable, generally describe the existing regulation.*

The Virginia Marine Resources Commission (VMRC) is amending Chapter 4 VAC 20-720-10 et seq., "Pertaining to Restrictions on Oyster Harvest", to adjust the public oyster harvest season.

### Mandate and Impetus

*Identify the mandate for this regulatory change and any other impetus that specifically prompted its initiation (e.g., new or modified mandate, internal staff review, petition for rulemaking, periodic review, or board decision). For purposes of executive branch review, "mandate" has the same meaning as defined in the ORM procedures, "a directive from the General Assembly, the federal government, or a court that requires that a regulation be promulgated, amended, or repealed in whole or part."*

[Mandate] VMRC is authorized by § 28.2-201 of the Code of Virginia to promulgate regulations and guidelines necessary to carry out the provisions of Title 28.2, including marine fisheries regulations.

[Impetus] The Commission meets to establish the areas of public oyster harvest, public oyster harvest seasons and oyster resource conservation measures if they wish these to be different from those which are established by 28.2-506 of The Code of Virginia. The Commission has no requirement to change the oyster season established by code, but may do so, per section 28.2-507 of the Code of Virginia, "in order to protect or promote the growth of oysters".

### **Statement of Final Agency Action**

*Provide a statement of the final action taken by the agency including: 1) the date the action was taken; 2) the name of the agency taking the action; and 3) the title of the regulation.*
