Re: Authority to Promulgate Exempt Final Regulation C10, Permits for Stationary Sources of Pollutants Subject to Regulation, 9 VAC 5-85 *et seq.*

Dear Director Paylor:

I have reviewed the above-referenced regulation. It is my opinion that the State Air Pollution Control Board has authority to promulgate the regulation under applicable law, including Chapter 13 of Title 10.1 of the Code of Virginia and that the proposed amendment comports with applicable state law. Further, it is my opinion that the regulation meets the exemption set forth in Va. Code § 2.2-4006(A)(4)(c) as necessary to meet the requirements of federal law or regulations and does not differ materially from the federal law or regulations.

If I may be of any further assistance to you relating to this matter, please do not hesitate to contact me.

Sincerely,
