MEMORANDUM

To: David E. Dicks, Executive Director
Board for Waste Management Operators
Department of Professional and Occupational Regulation

From: Elizabeth B. Peay
Assistant Attorney General
Counsel to the Board for Waste Management Operators

Date: January 19, 2010

Subject: Letter of Assurance for 18 VAC 155-20
Amendments to Board for Waste Management Operators Regulations

I have reviewed the Exempt Action Final Regulation issued by the Board for Waste Management Operators. In my view, as counsel to the Board, the Board may promulgate these regulations, pursuant to § 54.1-2211 A of the *Code of Virginia*. The regulations do not appear, on their face, to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they appear to conflict with federal or state law currently in effect.

This memorandum addresses legal matters only, is not intended to serve, nor should it be construed, as a comment for or against the merits of the proposed, regulations, and does not address, or express a position on, matters of public policy.
