I have reviewed the Waste Management Facility Operators Board's amendments to their Regulations. In my view, as counsel to the Waste Management Facility Operators Board, the Board may promulgate these regulations pursuant to §§54.1-113, 54.1-201.4, 54.1-304.3 and 54.1-308 of the Code of Virginia. The regulations do not appear to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they appear to conflict with any federal or state law currently in effect. This memorandum addresses legal matters only and is not intended to serve, nor should it be construed, as a comment for or against the merits of the proposed regulations.
