MEMORANDUM

To: Trisha Henshaw, Executive Director
Board for Waterworks and Waste Waterworks Operators and Onsite Sewage System Professionals
Department of Professional and Occupational Regulation

From: Elizabeth B. Peay
Assistant Attorney General
Counsel to the Board for Waterworks and Waste Waterworks Operators and Onsite Sewage System Professionals

Date: July 14, 2015

Subject: Letter of Assurance for the repeal of 18 VAC 160-20 and the creation of 18 VAC 160-30 and 18 VAC 160-40

I have amendments for the Board for Waterworks and Waste Waterworks Operators and Onsite Sewage System Professionals Regulations. In my view, as counsel to Board for Waterworks and Waste Waterworks Operators and Onsite Sewage System Professionals, the Board may promulgate these regulations pursuant to § 54.1-201 of the *Code of Virginia*. The regulations do not appear, on their face, to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they appear to conflict with federal or state law currently in effect.

This memorandum addresses legal matters only and is not intended to serve, nor should it be construed, as a comment for or against the merits of the proposed regulations.
