Re: Virginia Immunization Information System
12 VAC 5-115 *et seq.*

Dear Jim:

I have reviewed the final regulations for the Virginia Immunization Information System. These regulations do not conflict with other federal or state statutes or regulations and do not violate the United States or Virginia Constitutions.

The Board of Health has the authority to promulgate the regulations under Va. Code §§ 32.1-12 and 32.1-46.01. The regulations are consistent with the Board's mandate, and the Board will not exceed its statutory authority by promulgating these regulations.

yours,

Very truly

Counsel
