Re: Regulations Relating to Standards and Specifications for Back-Up Audible Alarm Signals - 19VAC30-140

Dear All:

I have reviewed the regulations set forth in 19VAC30-140, Regulations Relating to Standards and Specifications for Back-Up Audible Alarm Signals.

Upon review of the aforesaid regulations, I find the changes to be consistent with the statutory authority conferred by § 46.2-1005 and § 46.2-1175.1 of the Code of Virginia, and in conformity with existing statutory provisions. The changes to the regulations are exempted from the Administrative Process Act pursuant to § 2.2-4002(B)(6) of the Code of Virginia.

The regulations do not appear to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they appear to conflict with any federal or state law currently in effect. This approval addresses legal matters only and is not intended to serve, nor should it be construed, as a comment for or against the merits of the action.

Sincerely,

/s/ Andrew R. Parker
Senior Assistant Attorney General
