Legal Basis

Identify (1) the promulgating agency, and (2) the state and/or federal legal authority for the regulatory change, including the most relevant citations to the Code of Virginia or Acts of Assembly chapter number(s), if applicable. Your citation must include a specific provision, if any, authorizing the promulgating agency to regulate this specific subject or program, as well as a reference to the agency's overall regulatory authority.

The Board of Health is authorized to make, adopt, promulgate, and enforce regulations pursuant to § 32.-12 of the Code of Virginia.

Section 32.1-122.6:01 of the Code of Virginia requires the Board of Health to "...award to eligible part-time and full-time students the nursing scholarships available from the Nursing Scholarship and Loan Repayment Fund established in § 54.1-3011.2 pursuant to the procedures for the administration of the scholarships awarded through § 23.1-614..." and to "establish a nursing scholarship and loan repayment program for registered nurses, licensed practical nurses, and certified nurse aides who agree to perform a period of service in the Commonwealth pursuant to regulations promulgated by the Board in cooperation with the Board of Nursing..."

Alternatives to Regulation

Describe any viable alternatives for achieving the purpose of the regulation that were considered as part of the periodic review. Include an explanation of why such alternatives were rejected and why this regulation is the least burdensome alternative available for achieving its purpose.

The Board of Health is required by Va. Code § 32.1-122.6:01 to establish the Nursing Scholarship and Loan Repayment Program and promulgate regulations by which the program is administered. There are no other viable alternatives to regulation to comply with that requirement.

Public Comment

Summarize all comments received during the public comment period following the publication of the Notice of Periodic Review, and provide the agency's response. Be sure to include all comments submitted: including those received on Town Hall, in a public hearing, or submitted directly to the agency. Indicate if an informal advisory group was formed for purposes of assisting in the periodic review.

No comments were received during the public comment period.

Effectiveness

Pursuant to § 2.2-4017 of the Code of Virginia, indicate whether the regulation meets the criteria set out in the ORM procedures, including why the regulation is (a) necessary for the protection of public health, safety, and welfare, and (b) is clearly written and easily understandable.

Pursuant to § 2.2-4017 of the Code of Virginia, the Regulations for General Assembly Nursing Scholarships (12VAC5-510) meet the criteria set out in Executive Order 19. It is necessary for public health and welfare because it creates incentives for healthcare professionals to provide services in regions or to populations that may be particularly affected by the ongoing healthcare workforce challenges. As recommended, it is also necessary to ensure that it is more comprehensible, clear, and consistent.

Decision

Explain the basis for the promulgating agency's decision (retain the regulation as is without making changes, amend the regulation, or repeal the regulation).

If the result of the periodic review is to retain the regulation as is, complete the ORM Economic Impact form.

VDH has decided to amend the Regulations for General Assembly Nursing Scholarships (12VAC5-510-10 et seq.) to ensure that the language is readable, clear, consistent, and in the public's interest.

Small Business Impact

As required by § 2.2-4007.1 E and F of the Code of Virginia, discuss the agency's consideration of: (1) the continued need for the regulation; (2) the nature of complaints or comments received concerning the regulation; (3) the complexity of the regulation; (4) the extent to which the regulation overlaps, duplicates, or conflicts with federal or state law or regulation; and (5) the length of time since the regulation has been evaluated or the degree to which technology, economic conditions, or other factors have changed in the area affected by the regulation. Also, discuss why the agency's decision, consistent with applicable law, will minimize the economic impact of regulations on small businesses.

The Regulations for General Assembly Nursing Scholarships (12VAC5-510-10 et seq.) are required and there is a continued need for them. VDH did not receive any comments or complaints during the public comment period. The regulations are not complex and do not overlap, duplicate, or conflict with any state or federal laws or regulations. Technical amendments were made and effective in 2016. There has been no change in technology or other conditions since that regulatory action that would necessitate a substantive change to scholarship program or Regulations. The program administered by these Regulations promotes nursing recruitment and retention, which is intended to address the nursing shortages throughout the Commonwealth. As such, facilities that provide nursing services and that qualify as a small business may benefit from the implementation of the Regulations. The Regulations have no adverse economic impact on small businesses.
