The Honorable David K. Paylor, Director  
Virginia Department of Environmental Quality  
1111 East Main Street  
Richmond, Virginia 23219

Re: Periodic Review of the State Water Control Board's Virginia Pollutant Discharge Elimination System (VPDES) General Permit Regulation for Discharges from Petroleum Contaminated Sites, Groundwater Remediation, and Hydrostatic Tests  
(9 VAC 25-120 *et seq.*)

Dear Director Paylor:

I have reviewed the above-referenced regulation. It is my opinion that the State Water Control Board has the statutory authority for the regulation pursuant to Chapter 3.1 of Title 62.1 of the Code of Virginia.

This certification addresses legal matters only and is not intended to serve, nor should it be construed, as a comment for or against the merits of the regulations.

If I may be of any further assistance to you relating to this matter, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "David C. Grandis".

David C. Grandis  
Senior Assistant Attorney General
