**Effectiveness**

*Pursuant to § 2.2-4017 of the Code of Virginia, indicate whether the regulation meets the criteria set out in Executive Order 14 (as amended, July 16, 2018), including why the regulation is (a) necessary for the protection of public health, safety, and welfare, and (b) is clearly written and easily understandable.*

The regulation meets the criteria set out in Executive Order 14 (as amended, July 16, 2018).

**Decision**

*Explain the basis for the promulgating agency’s decision (retain the regulation as is without making changes, amend the regulation, or repeal the regulation).*

Treasury seeks to amend 1 VAC 75-30 to update Code of Virginia citations that no longer valid due to the recodification of the Escheat Generally Statute in 2019. As the result of the enactment of SB 1080, the code was renumbered § 55.1-2400 et seq. from 55-168 et seq. The legislation included renaming the chapter as “Escheats” from “Escheat Generally Statute”. In addition, there were semantic changes within the recodification that will now be reflected in the regulations. Two sections, authority and effective date, were repealed as they are now otherwise reported.

**Small Business Impact**

*As required by § 2.2-4007.1 E and F of the Code of Virginia, discuss the agency’s consideration of: (1) the continued need for the regulation; (2) the nature of complaints or comments received concerning the regulation; (3) the complexity of the regulation; (4) the extent to the which the regulation overlaps, duplicates, or conflicts with federal or state law or regulation; and (5) the length of time since the regulation has been evaluated or the degree to which technology, economic conditions, or other factors*

*have changed in the area affected by the regulation. Also, discuss why the agency's decision, consistent with applicable law, will minimize the economic impact of regulations on small businesses.*
