Consent Orders

In the matter of Consent Order File Number 2019-01747 Home Paramount Pest Control Company the board reviewed the Consent Order as seen and agreed to by Home Paramount Pest Control Company.

Home Paramount Pest Control Company did not attend the Board meeting in person by counsel or by any other qualified individual.

Home Paramount Pest Control Company emailed a letter requesting an employee other than a Responsible Manager be able to sit for the Remedial Education Class.

To Whom It May Concern:

Please be advised that I am the in-house Counsel for Home Paramount Pest Control Company. As you are aware, Home Paramount Pest Control Company has been involved in the above referenced administrative action. As part of that action, Home Paramount has voluntarily entered into a Consent Order for resolution of this matter. I am writing on behalf of Home Paramount to respectfully request a proposed modification to the Consent Order that we believe is in the best interests of all parties to this action and that will provide the best resolution of this matter. Home Paramount Pest Control Company (" Home Paramount") respectfully requests that the Consent Order be modified specifically to amend the paragraph on page 2 that reads, "Further, for violation of Count 1, Home Paramount Pest Control Company agrees to have a member of Responsible Management successfully complete a Board-approved remedial education class within ninety (90) days of the effective date of this Consent Order." Home Paramount asks that this paragraph be amended to provide for "Responsible Management" to be amended such that in lieu of a member of its Responsible Management being required to attend, its Designated Employee, or the Qualified Individuals licensed under Home Paramount be allowed to attend. Home Paramount's Designated Employee (as set forth in the Report of Findings) is Warren Reed Howard, Jr. Qualified Individuals under the Home Paramount license are Joseph Gier, Nevada Fetty, and Mitchell Portervint. Finally, Home Paramount's Vice President of Operations is Paul Hoffman. We respectfully ask that one of those individuals be permitted to complete the remedial education course in lieu of a member of Responsible Management. Home Paramount makes this request based on the following information: Home Paramount Pest Control Company operates in seven (7) states, including Virginia. Its operations are conducted through thirty-six (36) branch offices including the branch that operates throughout Henrico County. Home Paramount's Designated Employee is also one of its Regional Managers; Warren Reed Howard, Jr. Mr. Paul Hoffman is Home Paramount's Vice President of Operations. Currently, Mr. Hoffman operates primarily out of the region that includes Henrico County. The Qualified Individuals under the Home Paramount license are Branch Managers and Technical Directors who are responsible for oversight of the day to day operations of branch offices in their regions. They work with Branch Service Managers and field personnel to ensure corporate and regulatory

compliance in field operations. These individuals are responsible for the immediate supervision of the sales and labor personnel who interact with Home Paramount customers each day. They are the most appropriate candidates to complete the remedial education course as they are best equipped to effectuate the purpose of the education course and the Consent Order by ensuring that the training materials are properly shared throughout their branches and to ensure future regulatory compliance; especially in Henrico County. All of the individuals listed above, the Designated Employee, Vice President of Operations, and Qualified Individuals, have field and operations training, knowledge, and experience that not only will allow them to better understand the training program materials, but (and perhaps most importantly) to translate those materials for use by Home Paramount's Responsible Management and field personnel. We believe this most effectively achieves the true purpose of the requirement for remedial training; a long term understanding and implementation of Virginia Code compliance rather than a merely retributive program that requires the attendance of corporate personnel who are not as intimately involved in the day to day field operations of the business. Home Paramount has voluntarily entered into the Consent Order in this matter and will abide by whatever decision is ultimately made. We most respectfully request under the circumstances though that the foregoing change be incorporated in the final Consent Order. If additional information is required or if you wish to discuss this request, please do not hesitate to contact me at (410) 510-0700 x81 80.

A motion was made by Mr. Oliver and seconded by Mr. Hux to allow Home Paramount Pest Control Company have a Designated Employee of the company sit for the Remedial Education Class and to ratify the proposed Consent Order offer wherein Home Paramount Pest Control Company, acknowledges an understanding of the charges and admits to the violation(s) of the Counts as outlined in the Report of Findings.

Home Paramount Pest Control Company consents to the following violations of the Board's Regulations:

Count 1: 18 VAC 50-22-260.B.33 \$ 850.00

f) Closed Book Exams

Executive Director of Exams Shannon Webster updated the Board on the closed book exams: PSI stated Virginia examiners are very diligent in ensuring that exam candidates adhere to the exam site conduct rules. However, recent incident reports show Virginia has a higher cheating rate than other PSI locations but, that is likely because of Virginia's diligent enforcement policies.

Closed Book Exams

After further review its been determined that there is still going to individuals attempting to cheat, even during closed book exams and that the best way to prevent cheating is to update the exams. PSI will be starting with the Master HVAC and VA Contractor Class A/B. PSI will need subject matter experts and recommends the Boards participation. Board Members will be contacted later with participation request.

2705151123; file number 2018-02954 addressed the Board and requested an extension to meet the terms of the order.

Mr. Berrios submitted the following request:

Good morning Board, this letter is to ask for an extension of the deadline for my Consent Order signed and agreed by both parties. I still strongly agree and I'm very grateful for the opportunity to correct and rectify this matter and continue to practice my passion. The reason why I kindly ask for an extension is because earlier this year I was falsely accused by my ex-wife of molesting my 16 year old daughter 10 years ago. I was arrested and charged for 3 different felony charges. Seven days after my arrest I was granted a 60k bond. For two long months I couldn't be around my current wife and kids due to several restrictions the Judge imposed on me. I used the time away from my family to help my attorney prove my innocence. We prevailed and at the preliminary hearing the District Attorney's office decided to drop all the charges because there were issues with the evidence. I have all my dispositions to prove that. The point of the matter is, this went public and it affected my family, my business and it affected me personally. We lost our family savings paying for the attorney 40k, 10% of my bail 6k, didn't work for 2 months 14k. I lost several contracts due to the publicity and this year has been difficult sustaining my family, my marriage. I was left picking up the pieces. This hardship has prevented me from filing the consent order therefore a beg for an extension. Thank you for your time.

After discussion a motion was made by Mr. Oliver seconded by Mr. Magruder to allow Mr. Berrios and additional 90 days from the original deadline date.

The motion was approved with a vote of 11-0-0. Ayes: Dyer, Oliver, Redifer, Ayres, King, O'Dell, Groh, Hux, Johnson, and Magruder. Nays: None Abstain: Middleton Absent: Mitchell, Plummer, Trenary, Bynum-Coleman, and Tomlin.
