Welcome and Introductions

Mr. Scott Kudlas convened the meeting at 10:15 am; he welcomed members to the third Eastern Virginia Groundwater Management Advisory Committee meeting of the Fiscal Year 2022. A quorum was not present.

Committee members and visitors introduced themselves and the organizations they represented.

Meeting Agenda

Mr. Kudlas went over the planned meeting agenda outline.

- Presentation from USGS: Groundwater Framework for Southwest of the James River
- Open floor for public comment

Floor was opened for member questions regarding the meeting agenda; no questions from the body.

Presentation

Mr. Caldwell from USGS gave a presentation outlining the updated groundwater framework for the area southwest of the James River. Members asked clarifying questions throughout the presentation.

Public Comment

Floor was opened to public questions or comments.

There were no public comments.

Next Committee Meeting

Mr. Kudlas concluded the meeting and thanked the committee for their time, attention, and willingness to serve on the committee. The next meeting is expected to be held in mid-July and there is an interest in receiving an update on SWIFT.

Adjournment

The meeting was adjourned at 11:55 a.m.
