Mr. Melis introduced Shelly A. Simonds, Board Liaison and representative of the Board for Professional and Occupational Regulation (BPOR).

**Introduction of  
BPOR Board  
Liaison**

Mr. Kirschner reported to the Board that all pass rates for examinations have continued to improve, except the barber practical and the nail technician theory exam pass rates. Mr. Kirschner introduced Shannon Webster, DPOR's Director of Examinations, and assured the Board that Ms. Webster was looking into the falling barber pass rates.

**OLD BUSINESS  
Examinations**

Mr. Melis informed the Board that Ms. Webster is working closely with the examination vendor, Ergometrics/National Testing Network, to resolve issues with the examination process.

Mr. Kirschner reported to the Board on the status of revisions to the Barber, Cosmetology, and Nail Regulations; Wax Technician Regulations; and Esthetics Regulations. He informed the Board that the required public comment period had ended on December 18, 2015, and the Board will be asked to approve the responses to the public comments and adopt the proposed changes to the Regulations before sending them to the Executive Branch for final review.

**Regulatory  
Report**

Mr. Melis reported on the January 27, 2016 meeting of the Ad Hoc Committee on Career and Technical Education. Mr. Melis stated that the goal of the Committee has been to re-establish communication with the Virginia Department of Education (DOE) and share the Board's concerns about the public school curricula and reduced program hours. The Committee met with the DOE on January 28, 2016 to express its concerns and propose increasing the program from the present 2-year structure to a 3-year, 840 hour program. The Committee recommended that the Board consider formally requesting that DOE implement the 3-year, 840 hour program.

**Ad Hoc  
Committee on  
Career and  
Technical  
Education  
Report**

Upon a motion by Ms. Dorey and seconded by Ms. Tsamouras, the Board voted to accept the Ad Hoc Committee's recommendation to formally ask the DOE to
