## **OLD BUSINESS**

### **Examination**

Mr. Melis reported to the Board on the transition to Professional Credential Services, Inc. (PCS) as exam vendor effective January 1, 2017. He informed the Board that theory examinations were being administered by Prometric at six Virginia sites, and that PCS has begun administering the practical exams.

### **Report on Vendor Transition**

Mr. Melis also advised the Board that staff was tracking the development of the schools portal on the PCS website.

Mr. Melis reported that PCS held a meeting for schools on January 30, 2017 to provide an overview of the PCS examination process. Board staff, Board Chair, Lonnie Quesenberry, as well as Board Member Mr. Minor attended the meeting.

Mr. Kirschner reported that the revised Regulations went into effect on February 1, 2017. The Board was provided with copies of the new Barbers and Cosmetology Regulations and the new Esthetician Regulations.

### **Regulatory Report**

Mr. Kirschner also informed the Board members that a meeting is scheduled for February 15, 2017, to which all licensed schools have been invited. The school representatives will be provided with an overview of the revised Regulations and a question and answer period will follow.

## **NEW BUSINESS**

### **BOARD GUIDANCE**

The Board was provided with a guidance document entitled, "License Required for Certain Procedures," for its review and approval. The guidance document (see Appendix A) consolidates previous interpretations of what license is required to perform eyelash extensions, microblading, and microneedling procedures.

**License  
Required for  
Certain  
Procedures**

The Board discussed amending the guidance document to specify the type of license required to perform eyelash extensions services.

Upon a motion by Mr. Williams and seconded by Ms. LaPierre, the Board voted to approve the guidance document.

The members voting 'yes' were Ms. Dorey, Mr. R. Jones, Ms. LaPierre, Ms. McCaffrey, Mr. Minor, Mr. Quesenberry, Ms. Quinn, Ms. Tsamouras, and Mr. Williams. The motion passed unanimously.

The Board reviewed the existing guidance document, dated May 12, 2014, regarding awarding of credits and/or hours to transfer students in Barber and Cosmetology schools. After discussion, the Board took no action on the guidance document.

**Transfer  
Students Policy**

The Board was asked to consider whether or not to require an Informal Fact Finding (IFF) Conference for applicants who are already licensed and have previously taken part in an IFF. The Board's consensus was that an IFF would not be required if there have been no new convictions since the previous IFF. New convictions received since the previous IFF would require a new IFF.

**Informal Fact-  
Finding (IFF)  
Conferences for  
Individuals  
Already Licensed**

Mr. Melis addressed the Board on the progress of the Esthetics Apprenticeship program with the Department of Labor and Industry. He indicated that work still needed to be done on the allocating of hours and defining work processes. Mr. Melis indicated that an ad-hoc committee would be established to formalize the details of the program. Ms. Tsamouras and Ms. LaPierre agreed to participate on this committee.

**Esthetics  
Apprenticeship**

Mr. Melis indicated that Board staff is continuing to work with the Department of Labor and Industry toward moving tattooing and body-piercing apprenticeships under the oversight of that Department.

**Tattooing and  
Body-Piercing  
Apprenticeships**

Mr. Melis and Mr. Kirschner provided training for Board members on completing the Conflict of Interest form required for each meeting.

**In-Service  
Training**

Mr. R. Jones initiated a discussion about the potential for a two-tiered barber

license, providing for a basic barber license and a master barber license. Mr. Melis explained Virginia Code as it relates to barber licensing and suggested the consideration of an ad-hoc committee if there is interest among the Board members in pursuing the issue further. Mr. Jones and Mr. Minor agreed to participate on this committee.

**Discussion**

There being no further business to be brought before the Board, Mr. Quesenberry adjourned the meeting at 1:18 p.m.

### **Guidance Document: License Required for Certain Procedures**

#### **Interpretation of what license is required to perform eyelash extensions, eyebrow embroidery/microblading, and microneedling under Code of Virginia §54.1-700 et. seq.**

Applying eyelashes, as referenced in §54.1-700, refers to applying any natural or synthetic extension to an individual's natural eyelashes. This practice may be known as eye tabbing or eyelash extensions. These services require a cosmetology or esthetics license.

Strip, band, or bundle eyelashes, which adhere to the skin, are services that are ancillary to makeup, and exempted under §54.1-701.10.

Microblading, also called eyebrow embroidery, refers to the application of a semi-permanent ink to the skin of the eyebrow. This practice, when performed with a needle or group of needles, requires a tattooing or permanent cosmetic tattooing license. Microblading performed with a scalpel is beyond the scope of licensure and should not be performed by a licensee of the Board.

Microneedling, also known as dermarolling, is the application of a series of needles on a roller device used to stimulate collagen production. This practice is beyond the scope of licensure and should not be performed by a licensee of the Board.
