Mr. Kirschner also advised the Board of Fast-Track action to amend the Barber scope of practice and the barber curriculum in the Regulations to bring the Regulations into line with the Code of Virginia. The Fast-Track process will begin in approximately one week. He stated that letters have been mailed to all licensed barbers, barber teachers, and barber shops advising of the changes; and that letters would be mailed to all licensed barber schools in the coming week.

Mr. Melis reported to the Board regarding the Esthetics Committee's discussion on the practice of microneedling and the need for further discussion on this topic.
