To: Chairman Alcorn, Vice Chair Wheeler, and Secretary McAllister
From: Samantha Buckley, Policy Analyst

Re: Proposal and Adoption of Virginia In-Person Absentee Ballot Application

Suggested motion for a Board member to make:

Move that the Board adopt the Virginia In-Person Absentee Ballot Application for use beginning July 1, 2018.

Applicable Code Sections: Va. Code § 24.2-701

Attachments:

Your Board materials include the following:

- Proposed Virginia In-Person Absentee Ballot Application
- Screenshots of the VERIS Absentee Ballot Application data entry
- Diagram: Development process of Virginia In-Person Absentee Ballot Application

Background:

In the Spring of 2017, the Department of Elections with the assistance of the Center for Civic Design (CCD) set out to develop a more simplified but functional Absentee application for voters who apply to vote absentee in person. Gathering research from interviews with general registrars and input from the Usability Review Workgroup, a new form was developed. The form went through multiple rounds of review and feedback with the Absentee Ballot Workgroup and Usability Review Workgroup. This application will be used by Absentee voters wanting to vote in the general registrar's office. With the adoption of this application, the Department will provide clear instruction to the general registrars regarding the use of this application.

ELECT staff recommendation:

ELECT staff recommends the Board adopt the Virginia In-person Absentee Ballot Application for use beginning July 1, 2018.

ELECT staff recommends the Board permit ELECT to make formatting and layout changes to the current Virginia Absentee Ballot Application without Board approval.

Re: Political party order for general and special elections ballots

Suggested motion for a Board member to make:

“I move that the Board certify the determination by lot of the ballot order for the general and special elections being held November 6, 2018 and all other special elections between today and November 6, 2018.”

Applicable Code Section:

Va. Code § 24.2-613.B – “For elections for federal, statewide, and General Assembly offices only, each candidate who has been nominated by a political party or in a primary election shall be identified by the name of his political party. Independent candidates shall be identified by the term "Independent." For the purpose of this section, any Independent candidate may, by producing sufficient and appropriate evidence of nomination by a "recognized political party" to the State Board, have the term "Independent" on the ballot converted to that of a "recognized political party" on the ballot and be treated on the ballot in a manner consistent with the candidates nominated by political parties.”

Va. Code § 24.2-613.C – “... the State Board shall determine by lot the order of the political parties... ‘recognized political parties’ shall be treated as a class; the order of the recognized political parties within the class shall be determined by lot by the State Board...”

Applicable Dates:

July 24, 2018 – Sheriff, Isle of Wight County

November 12, 2018 – General and special elections, all localities

Attachments:

Two ballot order drawing slips; one for Democrat and one for Republican.

Background:

Ballot order determination by lot is not required for “recognized political parties”. Only the Libertarian party 1) qualified to be recognized on the ballot, and 2) had candidates qualify to be on the ballot.

ELECT Staff Recommendation:

ELECT staff recommends that the Board determine by lot and then certify the ballot order for the general and special elections being held November 6, 2018 and all other special elections between today and November 6, 2018.
