**Background:**

Two primary elections, a Democratic and a Republican, were held on June 20, 2023 for the purpose of selecting candidates to be the Virginia political parties' nominees for the November 7, 2023 election.

- Upon completion of the election, local general registrars (GRs) entered all relevant election data into the Election Night Reporting System (ENR) and the Virginia Election and Registration Information System (VERIS)

★ VIRGINIA ★  
STATE BOARD *of* ELECTIONS

- In accordance with Va. Code § 24.2-532, within six days after the election, local electoral boards conducted provisional ballot meetings and canvasses to ascertain and certify election results for their localities. Upon completion of canvass, the GRs forwarded their localities' certified Abstracts of Votes (Abstracts) to the Department of Elections (ELECT).
- To ensure accuracy of the results, ELECT staff performed the procedures below. Staff worked with localities to resolve and/or explain any issues identified. ELECT staff:
  - confirmed all required Abstracts were properly completed and submitted;
  - compared turnout to votes cast; and
  - compared results listed in the Abstracts to the results entered in ENR and VERIS.

**ELECT Staff Recommendation:**

ELECT staff recommends that the Board vote to certify the results of the June 20, 2023 Democratic and Republican Primaries as presented and declare the winners of each primary to be that party's nominee for the November 7, 2023 election.

From: Paul G. Saunders, III, Elections and Registration Services Supervisor

Date: July 5, 2023

Re: Candidate Filing Extension

---

**Motion if Board DOES GRANT Extension:**

Move that the Board *grant* an extension pursuant to Virginia Code § 24.2-503 for candidates to file the Certificate of Candidate Qualification and/or Statement of Economic Interests in relation to the 2023 November General Election.

**Motion if Board DOES NOT Grant Extension:**

Move that the Board *does not grant* an extension pursuant to Virginia Code § 24.2-503 for candidates to file the Certificate of Candidate Qualification and/or Statement of Economic Interests in relation to the 2023 November General Election.

**Applicable Code Sections:** Va. Code §§ 24.2-501, 24.2-502, and 24.2-503

**Background:** Pursuant to Va. Code §§ 24.2-501 and 24.2-502, an individual that wants to be a candidate for office must submit a Certificate of Candidate Qualification and a Statement of Economic Interests. As these are required elements of candidate filings, failure to submit one or both documents would prohibit an individual from being qualified as a candidate and having their name printed on the ballot.

Pursuant to Va. Code § 24.2-503, the State Board of Elections may grant an extension of the filing deadlines for the Certificate of Candidate Qualification and a Statement of Economic Interests. Any extension granted may only be for a 10-day time period from the time the Department of Elections (ELECT) sends the notice of extension to affected candidates. If the State Board of Election grants an extension, the Department of Elections must notify all candidates who have failed to file one or both of the documents of the extension.

A candidate's request for the Board to grant an extension is attached to this memorandum. The Election and Registration Services Section has also compiled a list of candidates who are required to file with the Department of Elections and would be permitted to file paperwork by the extension.

This list does not include any candidates for local offices who may need to file documents with their General Registrar.

General Assembly candidates requiring extension:

**Subject: Request for Extension - Filing Deadline for Statement of Economic Interest**

Dear Members of the Virginia Board of Elections,

I hope this letter finds you well. I am writing to respectfully request an extension for the filing deadline of my Statement of Economic Interest as an independent candidate for the 79th House of Delegates District. I apologize for the tardiness of this request, as the deadline has already passed. However, I believe an extension is necessary in order to ensure fairness and uphold the principles of a democratic process.

The reason for the delayed submission of my Statement of Economic Interest is twofold. Firstly, I mistakenly overlooked the fact that the document had a specific submission deadline. I erroneously assumed that the statement was due before assuming office due to a misreading of the line "Members of the General Assembly are REQUIRED to complete and file the Statement of Economic Interests as a condition to assuming office, and then annually while serving as a legislator." It was never my intention to disregard or neglect any requirements associated with the electoral process. I genuinely apologize for the oversight and take full responsibility for this error.

I would like to emphasize that, despite the delay in filing my Statement of Economic Interest, all other necessary documents, including 232 ballot petition signatures, were submitted within the prescribed time frame. These signatures were collected to fulfill the qualification criteria of obtaining 125 signatures, demonstrating the support and interest of voters in having multiple candidates in the general election.

Furthermore, I believe there are compelling reasons to grant an extension in this particular scenario. Firstly, granting an extension aligns with the spirit of the democratic process by ensuring that voters have a meaningful choice among candidates in the general election. This is crucial in fostering robust debate and allowing non-primary voters to have a say in their representation.

Additionally, it is worth noting that extensions have already been granted to primary candidates earlier this year. For instance, Richard Walker, a candidate who ran in the Democratic primary for the same House district, was provided an extension. This precedent underscores the importance of equitable treatment and fairness in the electoral process, regardless of party affiliation.

Lastly, I wish to emphasize that this incident should not be interpreted as a lack of respect for the electoral process. As an independent candidate, I have taken on the sole responsibility of managing my campaign while also working as a self-employed freelancer. While I strive to meet all requirements and deadlines, occasional oversights can occur. It is my sincere belief that an extension will allow me to rectify this situation and fulfill my obligations as a candidate.

I would like to express my gratitude to the members of the Virginia Board of Elections for considering this request. I am committed to adhering to all regulations and maintaining the highest standards of integrity throughout this electoral process. The SOEI will be mailed immediately to the Virginia Department of Elections for their review. Please feel free to reach out to me at the contact information provided above if you require any additional information or documentation.

Thank you for your time and attention to this matter. I appreciate your understanding and fairness in ensuring a transparent and equitable election for all candidates and voters.

Sincerely,

Eric Sundberg

I, H. Daniel Tomlinson, a first time candidate for the 10th District of the Virginia State Senate request an extension pursuant to 24.2-503 o the Code of Virginia.

## Memorandum

---

To: Chairman O'Bannon, Vice Chair Dance, Secretary Alvis-Long, Delegate Merricks, Mr. Matthew Weinstein  
From: Claire Scott, Policy Analyst  
Date: July 5, 2023  
Re: Split Precinct Waiver Request for Fluvanna County and Louisa County

---

***Suggested Motion:***

The Department of Elections (ELECT) does not have one suggested motion as each request to administer a split precinct will be reviewed and addressed individually. The State Board may move to: (i) *approve the split precinct waiver*, (ii) *deny the split precinct waiver*; or (iii) *defer review of the split precinct waiver request for a later meeting*.

***Applicable Code Sections:***

§24.2-307 Requirements for county and city precincts

***Split Precinct Background***

The Code of Virginia authorizes the State Board of Elections (SBE) to grant a waiver to administer a split precinct, if the governing body of a locality is unable to establish a precinct with the minimum number of registered voters without splitting the precinct, pursuant to §24.2-307.

Waivers must be requested by the governing body of a locality. This is often accomplished by a formal resolution passed by the governing body or by documenting the approval to request a waiver in the governing body's signed meeting minutes. These documents are submitted to ELECT by the general registrar of the locality along with the *SBE-307 Split Precinct Waiver* form. A locality may only administer a split precinct for elections held in the year the waiver is granted; therefore, a new waiver is required each calendar year.

***Attachments:***

Split Precinct Waiver Requests from Fluvanna County and Louisa County  
Split Precinct Waiver Resolutions from the Fluvanna County Board of Supervisors and the Louisa County Board of Supervisors

***ELECT Staff Recommendation:***

Staff recommendations will be addressed for each individual request.

---

Pursuant to Virginia Code § 24.2-307, split precincts must be eliminated in any congressional district, Senate district, House of Delegates district, and election district used for the election of one or more members of the governing body or school board for the county or city, unless a waiver is granted by the State Board.

**Suggested Motion**

I move that the Board approve the proposed Delegations of Authority 2023, pursuant to the Virginia Administrative Process Act, and I further move that all prior Delegations of Authority be rescinded.

**Delegations Background**

The State Board of Elections ("SBE") is authorized to prescribe standard forms for voter registration and elections, and to supervise, coordinate, and adopt regulations governing the work of local electoral boards, registrars, and officers of election. The Department of Elections ("ELECT") is authorized to establish and maintain a statewide automated voter registration system to include procedures for ascertaining current addresses of registrants; to require cancellation of records for registrants no longer qualified; to provide electronic applications for voter registration and absentee ballots; and to provide electronic delivery of absentee ballots to eligible military and overseas voters. The ELECT conducts the SBE's administrative and programmatic operations and discharges the SBE's duties consistent with delegated authority.

**Needed Revisions**

The current version of Delegation of Authorities was adopted in 2022. The following documents reflect additions from the 2023 Legislative Session. Included with this packet are separate supporting memos for each amended chapter outlining changes to the delegations regarding new Code provisions that did not exist in 2022 (divided into sections of those which should be delegated to ELECT and those that should remain with the SBE). The information provided also includes copies of the new versions as recommended by ELECT.

## State Board of Elections Policy 2023-001

A meeting of the State Board of Elections was held on July 5, 2023, during which the following policy was proposed by the Department of Elections and approved by the State Board of Elections:

### COUNTING AND REPORTING RESULTS OF ABSENTEE BALLOTS FROM A CENTRAL ABSENTEE PRECINCT

**PURPOSE:** To establish a policy: (i) stating requirements related to pre-processing absentee ballots received prior to Election Day and processing absentee ballots on Election Day, and (ii) directing the Department of Elections to post the results of all absentee ballots cast during an election no later than noon on the seventh calendar day following an election (“Policy”).

**REFERENCES:** Va. Code §§[24.2-103\(A\)](#), [24.2-105.1](#), [24.2-603](#), [24.2-667.1](#), [24.2-709\(B\)](#), [24.2-709.1](#), and [24.2-712](#); Va. Admin. Code [1VAC20-70-40](#); Governor’s Acts of Assembly [Chapter 152](#); [State Board of Elections Delegations](#)

### GENERAL REQUIREMENTS AND POLICY ESTABLISHMENT

Pursuant to Chapter 152 of the 2023 Acts of Assembly, the State Board of Elections must adopt a policy regarding the counting and reporting of absentee ballots in a central absentee voter precinct to ensure that:

- (i) The results of absentee ballots cast early in person are reported separately from mailed absentee ballots and are posted promptly on the State Board [of Election] website;
- (ii) The results of all absentee ballots cast by voters are reported by precinct in accordance with § 24.2-667.1 of the Code of Virginia; and
- (iii) The results in (ii) are posted no later than noon on the seventh calendar day following the election on the State Board of Elections website.

The statute directs the State Board of Elections to adopt the policy no later than September 1, 2023, and to notify the Chairmen of the House and Senate Committee on Privileges and Elections within seven business days of its adoption.

The State Board of Elections hereby adopts the following Policy:

#### I. COUNTING ABSENTEE BALLOTS FROM THE CENTRAL ABSENTEE PRECINCT

##### A. Pre-Election Day:

Pursuant to §24.2-709.1 and 1VAC20-70-40, absentee ballots received by the general registrar

prior to Election Day shall be pre-processed, beginning no later than the seventh day prior to Election Day, and ending on the Monday prior to Election Day.<sup>1</sup>

Primarily, the term “pre-processing” refers to the pre-Election Day process of removing absentee ballots from their “B Envelopes” and inserting those ballots into scanning equipment *without* initiating ballot count totals. Pre-processing must occur at a “pre-processing meeting.”

Pre-processing has two distinct periods with different obligations:

1. **Period 1: First day of absentee ballot voting through eighth day before the election.**

During this period, the general registrar’s office is not obligated to pre-process absentee ballots (i.e. to hold a pre-processing meeting to run those ballots onto scanning equipment). However, many localities may wish to schedule pre-processing meetings during this period to reduce the workload as Election Day approaches.

2. **Period 2: Beginning the seventh day before the election**, each locality *must* hold two mandatory pre-processing meetings on the following dates:

a. **On the seventh day preceding an election:** The purpose of this meeting is to insert into the scanning equipment all absentee ballots received through the eighth day preceding Election Day.

- i. If localities can pre-process all absentee ballots that were received up until the Tuesday preceding an election, then they **do not** need to hold another pre-processing meeting until either Friday or Saturday preceding an election.
- ii. If they are **not able** to pre-process all absentee ballots that were received by Monday before an election on Tuesday before an election, then the locality must continue to meet daily until they process all absentee ballots received by their office as of the Monday before an election.

b. **Friday or Saturday before an election:** The purpose of this meeting is to pre-process any absentee ballots received since the pre-processing meeting held on Tuesday. This does not include the ballots received on Friday or Saturday. *The goal of the Friday or Saturday meeting is to have all currently received absentee ballots run through scanning equipment.*

- i. If a locality can pre-process all the absentee ballots in their possession as of the date of this meeting, then they **do not** need to hold another pre-processing meeting.
- ii. If a locality is **not able** to pre-process all the absentee ballots in their possession as of the date of this meeting, then they should plan to hold a meeting on the Monday before an election.

---

<sup>1</sup> Va. Code §24.2-709.1; Va. Admin. Code 1VAC20-70-40.

3. **Additional Requirements:**

a. **Officers of Election attendance requirement:** At least **two** officers of election must be present at all pre-processing meetings. **If a locality is having dual primaries**, they must have at least one officer of election representing each political party.

b. **Political Party Chairs attendance requirement:** Even if localities are having a primary for only one party, they must give notice to **both** political party chairs of the times and places for each pre-processing meeting in sufficient time to allow for the authorized party representatives to be present.

c. No person present while sealed ballot envelopes are opened and ballots are inserted into scanning equipment shall disclose any information concerning the ballots.

d. The Department of Elections will send a communication outlining the dates of these requirements prior to every election.

4. For additional guidance see Va. Administrative Code 1VAC20-70-40.<sup>2</sup>

B. **Election Day:**

The Central Absentee Precinct (CAP) is established on Election Day to process any in-person absentee ballots not yet processed, absentee ballots received by the CAP on Election Day, and absentee ballots received at drop-off locations on Election Day.<sup>3</sup>

1. Pursuant to §24.2-712, the CAP will be open at 6:00 A.M. on Election Day or later at the discretion of the general registrar, provided all other statutory requirements are met; the CAP will close when the polls in the county or city close and shall proceed promptly to ascertaining and recording the results of the processed absentee ballots.<sup>4</sup>

2. Pursuant to §24.2-712, any absentee ballots that need to be hand counted, e.g. qualified absentee ballots that were rejected by the electronic voting system or Federal Write-in Absentee Ballots, are to be tallied at any time after noon, 12:00 P.M., on Election Day.<sup>5</sup>

3. Localities should continue to process all absentee ballots throughout Election Day or until 7:00 PM, whichever comes first.<sup>6</sup>

a. If absentee ballots need to be processed after the close of polls, those ballots will be included in the Post-Election Central Absentee Precinct and precinct-level breakdowns; this will include any mailed-in absentee ballots

received and processed after Election Day but before noon on the third day following an election, pursuant to §24.2-709(B).<sup>7</sup>

## **II. REPORTING RESULTS OF ABSENTEE BALLOTS FROM THE CENTRAL ABSENTEE PRECINCT**

- A. After the polls have closed at 7:00 PM, localities will initiate ballots totals.<sup>8</sup>
- B. The consolidated total of both in-person and mailed-in absentee ballots, processed as of Election Day, will be entered into the election night reporting system on the night of the election.
  - 1. The election night reporting system will allow for the number of absentee ballots received in-person during early voting and the number of absentee ballots received by mail to be reported separately pursuant to §24.2-667.1.<sup>9</sup>
- C. On the night of the election, the consolidated totals will be separated by precinct as time allows. All absentee ballot totals by precinct will be provided no later than noon, 12:00 P.M., on the seventh day following the election.<sup>10</sup>
- D. Based on locality inputs, the Department of Elections will post these separated absentee ballot results on its website for the public.<sup>11</sup>
- E. The Department of Elections will provide guidance documents to all localities regarding the standards and processes for the CAP including how to enter results in the electronic voter registration system.
  - 1. As of July 2023, the Department of Elections provides guidance for CAP through documents including but not limited to:
    - a. The General Registrar and Electoral Board Handbook (GREB Handbook);
    - b. The CAP Election Day Guide;
    - c. Step-by-step guidelines, and
    - d. Official advisories periodically produced by the Department of Elections.
