Chairman Chapman noted that she, Mayor Carolyn Dull, and Chief Kelvin Wright had been reappointed to the Board and that Mr. Michael HuYoung, Ms. Pat Smith, Superintendent William Smith, and Mr. Joseph Walters had been appointed to the Board.

Ms. Diane Abato made the motion, seconded by Chief Wright, to accept the minutes of the June 14, 2018, meeting of the Board. The motion passed unanimously, subject to the following recusals: *the new members, Mr. HuYoung, Ms. Smith, Superintendent Smith, and Mr. Walters.*

II. Director's Report

Director Dion highlighted the accomplishments of the Department of Criminal Justice Services (Department) for the year:

- This year, the Board will have approved 495 grants, totaling \$66 million. This funding supports local law enforcement, prosecutors, victims, non-profit service providers, state agencies, and regional training academies.
- A project has been initiated to explore the development of a new Grants Management System in 2019 which will provide staff and sub-grantees with access to real-time data, better fiscal and programmatic reporting, and streamlined award processes.
- The Department and the Virginia State Crime Commission (Commission) reviewed how the pretrial services program is administered and looked for ways to improve the delivery of pretrial services. The Commission is continuing its study into 2019.
- The process for licensing individuals by the Department has been fully transformed into an online system, which has dramatically reduced the time it takes to provide its constituents with their business credentials.
- The Department has successfully completed the first job task analysis for law enforcement since 1998. The Law Enforcement Curriculum Review Committee of the Committee on Training (COT) is currently evaluating the results and developing updated training standards for the COT's consideration.

IV. Committee Reports

- **Advisory Committee on Juvenile Justice and Prevention (ACJJP)**
Mr. David Johnson gave a report from the ACJJP's meeting of November 14, 2018. The ACJJP reviewed four continuation grants for Juvenile Justice and Delinquency Prevention (JJDP) Title II funding and recommended approving them for funding. The four grantees are all applying for their fourth year of funding and were eligible to apply for 25% of their original award.
Mr. Johnson made a motion, seconded by Chief Craig Branch, to approve the four continuation grants for federal JJDP Title II funding in the amount of \$51,026, as recommended by the ACJJP.
- **Executive Committee**
Chairman Chapman gave a report from the Executive Committee regarding the two meetings held since the last meeting of the Board.

Aug. 6, 2018 Meeting

The Executive Committee conducted an appeal of the decertification of a law-enforcement officer in accordance with the provisions of Va. Code § 15.2-1707. The officer had pleaded guilty to falsifying public records in violation of § 18.2-472, which is a misdemeanor crime of moral turpitude. After hearing from the officer and the Attorney General's Office, a motion was passed to deny the appeal and sustain the officer's decertification.

The Executive Committee also considered two matters related to grants. A motion was passed to approve grant awards totaling \$2,375,000 to six local and regional jails in continuation funding for the Jail Mental Health Pilot Programs as provided in the Appropriations Act.

A motion was also passed to amend the criteria for making grants from the School Resource Officer Incentive Grants Fund to (i) allow localities to satisfy the local match requirement with in-kind contributions (e.g., equipment) and (ii) increase the maximum funding for school resource officer positions from \$50,000 to \$70,000 and for school security officer positions from \$22,000 to \$35,000.

Sept. 25, 2018 Meeting

The Executive Committee was provided with a report from the Grants Committee and acted on each of the Grants Committee's three recommendations.

A motion was passed to approve 22 awards totaling \$448,139 in Byrne-JAG funds to support programs in the Department's Law Enforcement Division and the Juvenile Services, Adult Services, and Victim Services Division.

A motion was passed to approve three awards totaling \$147,378 in Court Appointed Special Advocate funds to support expansion projects.

A motion was passed to approve 33 awards totaling \$1,224,893 in School Resource Officer/School Security Officer funding for 30 school resource officer positions and three school security officer positions.

The Executive Committee also approved two final stage exempt regulatory actions for (i) Regulations Relating to Private Security Services and Private Security Training Schools and Businesses and (ii) Regulations Relating to Special Conservators of the Peace. The regulatory changes were necessary to conform to changes in statutory law that took effect on July 1, 2018, (Chapters 214 and 792 of the 2018 Acts of Assembly) and were exempt from the provisions of the Administrative Process Act.

- **Grants Committee**

Chief James Williams gave a report of the Grants Committee's meeting of December 4, 2018. At the meeting, Chief Williams was elected Chairman and Chief Branch was elected as Vice-Chairman. The Grants Committee presented the following grants for approval by the Board:

To address this issue, Chief Williams made a motion, seconded by Sheriff Tony Roper, that the Grants Committee approve other potential grant recipients from those applications the Department approves but does not have funding for and such other grant recipients may be awarded funding up to the dollar amount allocated for the grant in the event the original recipient does not accept an award. On September 13, 2018, the Department decertified Mr. Santiago.

Mr. Santiago was represented before the Board by counsel, D. Scott Gordon. Mr. Santiago has been employed by the City of Richmond since January 13, 2014, and was appointed as a police officer on August 23, 2014. Mr. Santiago's attorney, D. Scott Gordon, noted that Mr. Santiago has been reassigned to desk duty and is not currently allowed to carry a weapon. Mr. Santiago noted that did not have an attorney representing him when he pleaded no contest to domestic assault and agreed to the plea without knowing the consequences of entering a no contest plea.

After questioning of Mr. Santiago by members of the Board, Ms. Abato made the motion, seconded by Chief Wright, to sustain the decertification of Mr. Santiago.
