**Oral Presentations:** The P&T Committee in conjunction with the Department will be allocating time slots for interested parties to present scientific and clinical information on *only* the drug classes in Phase II which are scheduled for review at the April meeting and new drugs in PDL Phase I listed on the Agenda. **All presentations must include information published in a peer reviewed journal (per guidelines below) that is clinical in nature and based on scientific material. The references used to authorize presentations must be within the following timeframes:**

- PDL Phase II Annual Review – April 2014 to present
- New Drugs in PDL Phase I Drug Classes – April 2013 to present

No anecdotal accounts are to be given. Each speaker will be allocated no more than 3 minutes to present. The actual speakers will be decided by the Chairperson based on relevancy of the information. **Speakers must receive a confirmation number to verify the presentation is scheduled.**

Anyone interested in providing specific clinical information to the Committee at the meeting must submit an outline of discussion points, clinical references (within the stated guidelines above) and a written request to speak with the name/title of the presenter. Please send information to [pdlinput@dmas.virginia.gov](mailto:pdlinput@dmas.virginia.gov) and [dfmoody@magellanhealth.com](mailto:dfmoody@magellanhealth.com) by 5 p.m. EST on **Thursday, March 26, 2015.**
