P&T Committee Members

Next Meeting – April 19, 2018

Dr. Neuhausen, Chairman

**Criteria discussions will be held for classes only if deemed PDL eligible by the P&T Committee during Drug Class Discussions.*

Oral Presentations: The P&T Committee in conjunction with the Department will be allocating time slots for interested parties to present scientific and clinical information on **only** the drug classes in Phase I which are scheduled for review at the October meeting and new drugs in PDL Phase II listed on the Agenda. **All presentations must include information published in a peer reviewed journal (per guidelines below) that is clinical in nature and based on scientific material. The references used to authorize presentations must be within the following timeframes:**

- PDL Phase I Annual Reviews – October 2016 to present
- New Drugs in PDL Phase I or II Drug Classes – October 2015 to present

No anecdotal accounts are to be given. Each speaker will be allocated no more than **2** minutes to present. The actual speakers will be decided by the Chairperson based on relevancy of the information. **Speakers must receive a confirmation number to verify the presentation is scheduled.**

Anyone interested in providing specific clinical information to the Committee at the meeting must submit an outline of discussion points, clinical references (within the stated guidelines above) and a written request to speak with the name/title of the presenter. Please send requested information to pdlinput@dmass.virginia.gov and dfmoody@magellanhealth.com by 5 p.m. EST on **Thursday, September 21, 2017.**

Written information/comments: The P&T Committee will also accept written comments for consideration. Please send statements to pdlinput@dmass.virginia.gov by 5 p.m. EST **Thursday, September 21, 2017.**
