P&T Committee Members

Next Meeting - October 2, 2024.

Oral Presentations: The P&T Committee in conjunction with the Department will allocate time slots for interested parties to present scientific and clinical information. **All presentations must include information published in a peer reviewed journal (per guidelines below) that is clinical in nature and based on scientific material. The references used to authorize presentations must be within the following time frames:**

- Weight Management Agents – July 2023 to present
- Wegovy for Cardiovascular Risk Reduction - January 2024 to present

No anecdotal accounts are to be given. Each speaker will be allocated no more than 2 minutes to present. The Chairperson will approve presentation requests based on relevancy of the information.

Anyone interested in providing specific clinical information to the Committee at the meeting must **submit an outline of discussion points, clinical references (within the stated guidelines above) and a written request to speak with the name/title of the presenter.** Please send requested information to pdlinput@dmas.virginia.gov and david.damico@primetherapeutics.com by 5 p.m. EST on Tuesday July 9th, 2024.

Written information/comments: The P&T Committee will also accept written comments for consideration. Please send statements to pdlinput@dmas.virginia.gov by 5 p.m. EST on Tuesday July 9th, 2024.
